

ORY OF THE FOUNDATION OF NEW ORLEANS (1717 1722) BY BARON MARC DE VI

"No use," said the old wizard, grinning, "you're only wind and sunlight. Now I'm going to be dirt and stone. You'd best go on. Farewell, Aihal. Keep the-keep the mouth open, for once, eh?". She got him onto his bed, pulled the shoes off his feet, and left him sleeping. Berry came in late. Roke, he had worn shoes. But he had come back home to Gont, to Re Albi, with his wizard's staff. "They say," said Ayo from the shadows, "that there's an island where the rule of justice is kept. My teacher was with me, and his teacher with him," Ogion said when they praised him. "I could hold. Nobody fools with me. We make a pretty good living. Winters, I go stay with Mother and help her." It frightened him, smiled at Otter. "Don't you?". "Why do you say nothing?" I asked. I had to clear my throat. "If you share his power he won't harm you. To fear a power, to fight a power, is very dangerous. To love power and to share it is the royal way. Look. Watch what I do." Gelluk held up the pouch into which he had put the few drops of quicksilver. His eye always on Otter's eye, he unsealed the pouch, lifted it to his lips, and drank its contents. He opened his smiling mouth so that Otter could see the silver drops pooling on his tongue before he swallowed. The true name of a person is a word in the True Speech. An essential element of the talent of the witch, sorcerer, or wizard is the power to know the true name of a child and give the child that name. The knowledge can be evoked and the gift received only under certain conditions, at the right time (usually early adolescence) and in the right place (a spring, pool, or running stream). file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (78 of 111) [2/5/2004 12:33:31 AM]. had caught him watching his mind. He came back in the evening, lamer than ever, for of course San had walked him clear out into the Long Fields where most of his beeves were. Nobody had horses but Alder, and they were for his cowboys. She gave her guest a basin of hot water and a clean towel for his poor feet, and then thought to ask him if he might want a bath, which he did. They heated the water and filled the old tub, and she went into her room while he had his bath on the hearth. When she came out it was all cleared away and wiped up, the towels hung before the fire. She'd never known a man to look after things like that, and who would have expected it of a rich man? Wouldn't he have servants, where he came from? But he was no more trouble than the cat. He washed his own clothes, even his bedsheet, had it done and hung out one sunny day before she knew what he was doing. True Runes are not symbols only, but reifactors: they can be used to bring a thing or condition into being or bring about an event. To write such a rune is to act. The power of the action varies with the circumstances. Most of the True Runes are found only in ancient texts and lore-books, and used only by wizards trained in their use; but a good many of them, such as the symbol written on the door lintel to protect a house from fire, are in common use, familiar to unlearned people..file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (87 of 111) [2/5/2004 12:33:31 AM].thought), the man on the sheet would say that Olaf or I was similar to himself -- we were not so.did not try to catch up with them.
