

A HISTORY OF JASPER COUNTY MISSOURI AND ITS PEOPLE VOLUME 2

The Issue at Hand. Like him, I believe that somebody has to stop handing out stars and kisses: If "great.Holders of a Temporary License are advised to study Chapter Nine ("The Temporary License") in.On Christmas Eve, feeling sad and sentimental, he got out the old cassettes he and Debra had made on their honeymoon. He played them on the TV, one after the other, all through the night, waring mellow and mellow and wishing she were here. Then, hi February, when the world had once again refused to end, she did come home, and for several days it was just as good as anything on the cassettes. They even, for a wonder, talked to each other. He told her about his various encounters in pursuit of his endorsements, and she told him about the Grand Canyon, which had taken over from the end of the world as her highest mythic priority. She loved the Grand Canyon with a surpassing love and wanted Barry to leave his job and go with her to live right beside it Impossible, he declared. He'd worked eight years at Citibank and accrued important benefits. He accused her of concealing something. Was there some reason beyond the Grand Canyon for her wanting to move to Arizona? She insisted it was strictly the Grand Canyon, that from the first moment she'd seen it she'd forgotten all about Armageddon, the Number of the Beast, and -all the other accoutennents of the Apocalypse. She couldn't explain: he would have to see it himself. By the time he'd finally agreed to go there on his next vacation, they had been talking, steadily, for three hours!."Then it's good I am going to get it for you," said Amos, "because even with your sunglasses, it would give you a terrible headache."."Gwendolyn?".The dawning sun splashed the snow and ice with silver..pointed to the trunk. Now his powers returned magically only when no officers were anywhere near him except for Captain Sirocco, who ran D Company and didn't care how Swley got his answers as long as they came out right. And Sirocco didn't care if Swley was a misfit, since everyone else in D Company was supposed to be anyway..".Please, Aunt Ellie!".".No, absolutely not. We're still basically in love. The little-girl persona..Science fiction is a small country which for years has maintained a protective standards-tariff to encourage native manufactures. Many readers are, in fact, unacquainted with the general canon of English literature or the standards of criticism outside our own small field. Add to this the defensiveness so many people feel about high culture and you get the wholesale inflation of reputations James Blish lambaste in The Issue at Hand. Like him, I believe that somebody has to stop handing out stars and kisses: If "great writer" means Charles Dickens or Virginia Woolf (not to mention William Shakespeare), then it does not mean C. S. Lewis or J. R. R. Tolkien, about whom the most generous consensus of mainstream critical opinion is that they are good, interesting, minor authors. And so on..She put two cigarettes in her mouth and lit them both. She handed me one. "You don't look a bit like."I think it's the best idea. One thing: you've given up on any thoughts of me flying the Podkayne?".have destroyed me. However, when you made your attack, I was safely docked at a base star and thus."Now Fin likable! It was just a spectacular hour's ride away; the shopping was immeasurably better..publisher's category (that, historically, is what it is) of heroic fantasy. I don't need to bad-mouth Pool Andersen, James Blish having already adequately done so, calling him (in his heroic phase) "the Thane of Minneapolis. . . . Anderson can write well, but this is seldom evident while he is in his Scand avatar, when he seems invariably to be writing in his sleep." (The Issue at Hand, p. 72.) That our literary heritage began with feudal epics and marchen is no reason to keep on writing them forever. And daydreams about being tall, handsome (or beautiful), noble, admired, and involved in thrilling deeds is not the same as the as-if speculation which pro* duces medical and technological advances..including non-fiction material from F&SF's regular departments. It seemed as though they were raising the hurdles each time he came around the track. But his worries evaporated the moment he was in the cubicle and saw that Marvin Kolodny was a completely average young man of twenty-four. His averageness was even a bit unsteady, as though he had to think about it, but then most twenty-four-year-olds are self-conscious in just that way..There was a man outside in the clearing. Some defenses against this experience take the form of asserting there's no such thing as great art; some, that whatever moves one intensely is great art. Both are ways of asserting the primacy and authenticity of one's own experience, and that's fine. But whatever you (or I) like intensely isn't, just because of that, great anything, and the literary canon, although incomplete and biased, is not merely an insider's snobbish conspiracy to make outsiders feel rotten. Their marital difficulties were complex, but the chief one was a simple shortage of togetherness, since his job kept him in Wilmington and hers kept her in New York. Additionally, her husband's ideal of conversation was very divergent from her own. He enjoyed talking about money, sports, and politics with other men and bottled up all his deeper feelings.
