"I just don't seem to be able to come up with my own ideas. I did have one, though, just this morning on my way here, and I was going to try and slip it in while I was taking the exam, only it never seemed quite natural. Have you ever noticed that you never see baby pigeons? All the pigeons you see out on the street are the same size-full-grown. But where do they come from? Where are the little pigeons?
