It came to me in a white faces, yellow, a few tall blacks, but I was still the tallest. People made way for me. High. "I don't know. It's why I wanted to come to Roke. To find out." He told Birch that he had received a sending from his teacher on Roke, the Master Hand, and must go at once, on what business he could not say, of course, but it should not take long once he was there; a half-month to go, another to return; he would be back well before the Fallows at the latest. He must ask Master Birch to provide him an advance on his salary to pay for ship-passage and lodging, for a wizard of Roke should not take advantage of people's willingness to give him whatever he needed, but pay his way like an ordinary man. As Birch agreed with this, he had to give Ivory a purse for his journey. It was the first real money he had had in his pocket for years: ten ivory counters carved with the Otter of Shelieth on one side and the Rune of Peace on the other in honour of King Lebannen. "Hello, little namesakes," he told them when he was alone with them. "You and the cheese money will get along nicely." talk about? he asked, and she answered, "What is to become of us." The curer checked the girths, eased a strap, and got up in the saddle, not expertly, but the hinny not led him here. Since the raid, Roke Island had isolated itself wholly, sealed itself inside. She looked westward over the reed beds and willows and the farther hills. The whole western sky was empty, clear. She stood still and her soul seemed to go into that sky and be gone, gone out of her. No healer could cure her. But she could heal the scrofula, and touch for pain. The daughter of "the wise king Thoreg" rescued Erreth-Akbe from this trance or imprisoning spell and restored him his strength. He gave her the half of the Ring of Peace that remained to him. (From her it passed through her descendants for over five hundred years to the last heirs of Thoreg, a brother and sister exiled on a deserted island of the East Reach; and the sister gave it to Ged.) Intathin kept the other half of the broken Ring, and it "went into the dark" - that is, into the Great Treasury of the Tombs of Atuan.
