It was several tense, miserable hours before anyone got to sleep..Rainbow," he said..Amos and Jack were happy as they had ever been, and the North Wind roared to the edge of the ledge and they climbed on his back, one on each shoulder. They held themselves tight by his long, thick hair, and the Wind's great wings filled the cave with such a roaring that the' fires, had they not been maintained by magic, would have been blown out. The sound of the great wing feathers clashing against one another was like steel against bronze..Fortunately for his morale, this state of funk did not continue long. Barry didn't let it. The next night he was off to Partyland, a 23rd St. speakeasy that advertised heavily on late-night TV. As he approached the froth of electric lights cantilevered over the entrance, Barry could feel the middle of his body turning hollow with excitement, his throat and tongue getting tingly..He examined the dome as he walked back to camp. There was a figure hazily visible through the plastic. At this distance he would have been unable to tell who it was if it weren't for the black face. He saw her step up to the dome wall and wipe a clear circle to look through. She spotted his bright red suit and pointed at him. She was suited except for her helmet, which contained her radio. He knew he was in trouble. He saw her turn away and bend to the ground to pick up her helmet, so she could tell him what she thought of people who disobeyed her orders, when the dome shuddered like jellyfish..180 Lee Killough."Over there," said Amos pointing back out the door, "is that end. And over there is this end," and he pointed out the front window, "and right here is the other end."..phone call and what I'd found..She was quiet for a long time, then shuffled her feet awkwardly. The sun is bright, the sea almost dead calm. Smith is able to catch glimpses of figures on deck, tilted above dark cross-sections of the hull. A sailor is splicing a rope in the

stem, two others lowering a triangular sail between the foremast and the bowsprit, and a fourth is at the helm. A little group stands leaning on the starboard rail; one of them is a woman. The next glimpse is that of a running figure who advances into the screen and disappears. Now the men are lowering a boat over the side; the rail has been removed and lies on the deck. The men drop into the boat and row away. He hears them shouting to each other but cannot make out the words..Larchemont is a middle-class neighborhood huddled in between the old wealth around the country."The hunter was here," he said as he crossed the door's threshold..truth of a piece of fiction matters, for aesthetic reasons. To apply rigid, stupid, narrow, political standards.the door didn't open at all and wasn't intended to. The bathroom and kitchen windows cranked out and.someone is watching you as you watch; and beyond that watcher another, and beyond that another. . . ."I'm not going to get out of your way, and I tell you, don't do it Not now and not later."
