Mama Dolores took over Robbie's schedule while Nolan made his daily rounds in the fields..where just a few hundred yards away a mountain rose high and higher into the clear twilight.. "Fm sorry. I know it seems an inconsequential thing to go to pieces about, but every time I meet one of Selene's friends I feel like spiders are crawling over me. They're all so ... grotesque." Amanda shuddered. "I don't know how she can actually live with such creatures. I suppose it's her nature. I've never let a man touch me, but she?shell have any man who strikes her fancy, just like her mother." I looked unhappily at the couple standing in the outer office with my secretary. What a time for clients to walk in. "I have some people here. Can it possibly wait?" "Yes," she said, the snuffles disappearing instantly. "I have two. The plastic strips don't cut well, but there's another specialized animal that eats that type of plastic. It's recycled into the system. If you want to suit up, you just grab a whirlbird and hold onto its tail and throw it. It starts spinning as it flies, and wraps the end product around you. It takes some practice, but it works. The stuff sticks to itself, but not to us. So you spin several layers, letting each one dry, then hook up an airberry, and you're inflated and insulated,".132.I See You by Damon Knight I.and the other was in jail. Sure, I know the Project's an important undertaking, but construction workers have to live the same as anybody else, no matter how important what they're constructing is. Like the Organizer says, it's dog-eat-dog these days, and workingmen have to look out for themselves, nobody else is going to. This afternoon, Ike dropped by with a sixpack, and we sat around most of the rest of the day, drinking beer and talking. He's up for picket duty tonight; I'm not scheduled till tomorrow morning. Fm glad, because that'll give me a chance to attend the Union meeting tonight Ike told me to listen real good so I could tell him all about it, and I said I would..But she went on relentlessly, deaf to me. He touched McKillian gently."Originality has always been my Waterloo," Barry admitted. "I just don't seem to be able to come up with my own ideas. I did have one, though, just this morning on my way here, and I was going to try and slip it in while I was taking the exam, only it never seemed quite natural. Have you ever noticed that you never see baby pigeons? All the pigeons you see out on the street are the same size-full-grown. But where _do they come from? Where are the little pigeons? Are they hidden somewhere?" He stopped short, feeling ashamed of his idea. Now that it was out in the open it seemed paltry and insignificant, little better than a joke he'd learned by heart, than which there is nothing more calculated to land you in the bottom percentiles..A tiny pinpoint of orange glowed bright for a second, about fifty feet away, where Stanistau and Carson were covering the trail from the gorge with the submegajoule laser. spinning like crazy." They all looked uneasily at the whirligigs. "But I think they're not here yet I think we're going to see, over the next few years, increasing complexity in these plants and animals as they build up a biome here and get ready for the builders. Think about it. When summer comes, the conditions will be very different. The atmosphere will be almost as dense as ours, with about the same partial pressure of oxygen. By then, thousands of years from now, these early forms will have vanished. These things are adapted for low pressure, no oxygen, scarce water. The later ones will be adapted to an environment much like ours. And that's when we'll see the makers, when the stage is properly set." She sounded almost religious when she said it. I picked up Janice at her apartment in Westwood early Saturday morning. She was waiting for me and came striding out to the car all tugs and healthy golden flesh. She was wearing white shorts, sneakers, and that damned Dallas Cowboys jersey. It was authentic. The name and number on it were quite well-known even to non-football fans. She wouldn't tell me how she got it, just smirked and looked smug. She tossed her suitcase in the back seat and slid up against me. For that, we're better off than most of the colonists of the past, at least. I am fortunate in that, unlike Hollywood, F&SF seems to be largely immune from trends. The magazine has a reputation for offering variety, and to uphold that image, it seems to me that it must carefully avoid trends and formulas in an effort to publish a balance of different types of fantasy and sf. And so we continue to look for good writing and fresh ideas and entertaining narratives, and once those general criteria are satisfied, we take on whatever seems to be pleasing our writers at the time.
