He had seen a father and son work together from daybreak to sundown, the old man guiding a blind ox, the middle-aged man driving the iron-bladed plough, never a word spoken; as they started home the old man laid his hand a moment on the son's shoulder..immediate advantage without thought for what followed after. All were locally feared or venerated; some were known far and wide..He pulled up some grass and rubbed at the slimy mud on his feet and legs. It was not dry yet, and only smeared about on his skin. "I hate mud," he whispered. Then he snapped his jaws and stopped trying to clean his legs. "Dirt, dirt," he said, gently patting the ground he sat on. Then, very slow, very careful, he began to speak the spell of calling.. "He lay as if dead, cold, his heart not beating, yet he breathed. The loft was dark and stuffy and the straw musty. Ivory felt no lust at all, though Dragonfly lay not three feet from him. When in 730 the first Archmage of Roke, Halkel of Way, excluded women from the school, among his Nine Masters only the Patterner and the Doorkeeper protested; they were overruled. For more than three centuries, no woman taught or studied at the school on Roke. During those centuries, wizardry was an honored art, conferring status and power, while witchery was an unclean and ignorant superstition, practiced by women, paid for by peasants. Gelluk caught his breath. Presently he said, very softly, "Can you read the runes?". In silence Dulse sought his name, and saw two things: a fir-cone, and the rune of the Closed Mouth.
