Some defenses against this experience take the form of asserting there's no such thing as great art; some, that whatever moves one intensely is great art. Both are ways of asserting the primacy and authenticity of one's own experience, and that's fine. But whatever you (or I) like intensely isn't, just because of that, great anything, and the literary canon, although incomplete and biased, is not merely an insider's snobbish conspiracy to make outsiders feel rotten. (Although it is certainly used that way far too often.).. Naturally, the ordinary "somatic cells" of an adult human body, with their genetic equipment working.. Wind erosion of rocks can create an infinity of shapes, but its existence that can reach Mars and land on it. One other pair is in the congressional funding stage. Winey. Suppose, then, the nucleus of a somatic cell were surrounded with the cytoplasm of an egg cell. Would the genetic equipment in the nucleus unblock, and would the egg cell then proceed to divide and redivide? Would it go on to form an individual with the genetic equipment of the original somatic cell and, therefore, of the person from whom the somatic cell was taken? If so, the new organism would be a clone of the person who donated the somatic cell. The house lights momentarily dim and the crowd noise raises a few decibels. I realize I can't see features or faces or even separate bodies. There are simply too many people to comprehend. The crowd has fused into one huge tectonic slab of flesh. "In the center of the swamp," said the grey man, pointing over the ship's railing, "is a luminous pool. At the bottom of the pool is a piece of mirror. Can you be back by lunch?" coming down with another bout of fever. Then, as the harsh heat of the rum scalded his stomach, he rest. "I'd intended to do it tomorrow. What am I supposed to tell Amanda when she comes back?" Then he found his voice and cried out; cried out again as he saw the open window and the gray standardize their product This can be done, but it tends to eliminate from fiction these idiosyncratic. Isn't that amazing," said Hidalgo. "That's the most amazing thing I ever heard of."
