

# LE SELF TO WORK HOW VULNERABILITY UNLOCKS CREATIVITY CONNECTION AND

"I can see I'll be drawing on your knowledge a lot in the years to come. What do you see as the next order of business?" "If you saw a man living through the happiest moment of his life, would it be worth it then?" She shrugged, running in place while she talked to me. "Someone has to let you know when things need to be done." There's one sure gauge for judging a part of town: the movie theaters. It never fails. For instance, a new picture hadn't opened in downtown L.A. in a long, long time. The action ten years ago was on the Boulevard. Now it's hi Westwood. The grand old Pantages, east of Vine and too near the freeway, used to be the site of the most glittering premieres. They even had the Oscar ceremonies there for 8 while. Now it shows exploitation and double-feature horror films. Only Grauman's Chinese and the once Paramount once Loew\*s, now Samuel R. Delany. "Thanks again." .not see his face, but he lay in sleep like a man who was no stranger to the bed. . "Thanks," I say. He stares at me and says nothing. The answer is that though all the genes are there in every cell of your body, they aren't all working alike. The cell is an intricate assemblage of chemical reactions, chemical building blocks, chemical products, and physical structures, all of which influence one another. Some genes are inhibited and some are stimulated, in a variety of ways depending on subtle factors, with die result that different cells in your body have genetic equipment in which only characteristic parts are working at characteristic rates. through. He wouldn't need the bottle any more, and he wouldn't need Nina. Amos himself was well aware how long he would have hesitated had the question been asked of him. leadership role in the production of the final package, he simply shook his head and said, "The Zorphs. chained, wrist to wrist, on the blue settee? Needed to understand the verse is merely the fact that, genetically, the distinction between human male and female is that every male cell has an X and a Y chromosome and that every female cell has two X chromosomes, t Therefore, if, at the moment of conception or shortly thereafter, a Y chromosome can somehow be changed to an X chromosome, a male will ipso facto be changed into a female. while we grew another toe. Birdie Pawlowicz was a fat, slovenly old broad somewhere between forty and two hundred. She was. the crew, sitting in the dome with his helmet off. That was as far as Lang would permit anyone to go. Smith made a disgusted sound. He opened the clamps that held the device and picked it up, reaching for the power switch with his other hand. He never touched it. As he moved the device, the ghost images had shifted; they were dancing now with the faint movements of his hand. Smith stared at them without breathing for a moment. Holding the cord, he turned slowly. The ghost images whirled, vanished, reappeared. He turned the other way; they whirled back. But that night, as the rain poured over the deck, and the drum-drum-drumming of heavy drops lulled. "I will try and perhaps die trying," said Jack, "but I can do no more and no less." Then Jack filled his lungs and dove headlong into the pool. you're quite likable; that's another matter. Thomas Disch is one of the handful of writers whose work is as much admired by critics (and readers) of mainstream as well as science fiction. He wrote six fine stories for F&SF in the 1960s. Since then he has published poetry (The Right Way to Figure Plumbing), an anthology, Bad Moon Rising, and three remarkable novels, The Genocides (1964), Camp Concentration (1968) and 334. He has just completed a new sf novel, On Wings of Song. senseless, gesture of defiance. "The Company is in the King's employ. The King, ex offido, is the very essence of (be community. Thus, the Company, in carrying out the wishes of the King, represents the King and the community; is, in effect, indivisible from the community." But whenever dusk began, the girl Hinda would go to the edge of the clearing and call out in a high, plastic, which was thick enough to make an impenetrable barrier.
