Yevaud of Pendor was the only dragon to raid the Inward Lands after the time of the Kings. A wide street.humorless, scholarly wizard with little interest in feelings or ideas. His gift was for names..A millennium and a half ago or more, the runes of Hardic were developed so as to permit narrative writing. From that time on, The Creation of Ea, The Winter Carol, the Deeds, the Lays, and the Songs, all of which began as sung or spoken texts, were written down and preserved as texts. They continue to exist in both forms. The many written copies of the ancient texts serve to keep them from varying widely or from being lost altogether; but the songs and histories that are part of every child's education are taught and learned aloud, passed on down the years from living voice to living voice..chestnut don't shoot up overnight like alder and willow. But there was time. There was time, now..routing out his heavy cloak, setting water to boil on the small fire he had lighted earlier, he."There was no place for him among the Masters, since a new Master Summoner had been chosen, a strong man in his prime, not likely to retire or die. Among the scholars and other teachers he had a place of honor, but he wasn't one of the Nine. He'd been passed over. Maybe it wasn't a good thing for him to stay there, always among wizards and mages, among boys learning wizardry, all of them craving power and more power, striving to be strongest. At any rate, as the years went on he became more and more aloof, pursuing his studies in his tower cell apart from others, teaching few students, speaking little. The Summoner would send gifted students to him, but many of the boys there scarcely knew of him. In this isolation he began to practice certain arts that are not well to practice and lead to no good thing..The Book of the Dark, written late in the time it tells of, is a compilation of self-contradictory.Sometimes he smiled at her ignorance, but he never sneered at it or reproved it. It's a strong spirit on Roke: always to do better than the others, always to be first... The art becomes a contest, a game. The end becomes a means to an end less than itself... There was no man there more greatly gifted than this man, yet if any did better than he in any thing, he found it hard to bear. It frightened him, it galled him..There was a silence. He fed them and squelched back to the house with three warm eggs. When he was a child he had liked to walk in mud. He remembered enjoying the cool of it rising between his toes. He still like to go barefoot, but no longer enjoyed mud; it was sticky stuff, and he disliked stooping to clean his feet before going into the house. When he'd had a dirt floor it hadn't mattered, but now he had a wooden floor, like a lord or a merchant or an archmage. To keep the cold and damp out of his bones. Not his own notion. Silence had come up from Gont Port, last spring, to lay a floor in the old house. They had had one of their arguments about it. He should have known better, after all this time, than to argue with Silence. Dragonfly waited. "It's the power, like I said. It comes just so." Rose stopped her spinning and. "Give your dross to the fire and it will be transformed into the living silver, the light of the moon. Is it not a wonderful thing," he went on, drawing Otter away and back down the spiral stair, "how from what is most base comes what is most noble? That is a great principle of the art! From the vile Red Mother is born the Allking. From the spittle of a dying slave is made the silver Seed of Power." I must be going now, I told them voicelessly, with my lips only. She flung out the door with two buckets, going to the pump. She would not use the stream water for anything at all, these days. She was wise, and kind. Why had he lived so long among those who were not kind? "But you can? Right? You really can? No," she whispered, as if to herself, "you are not. He's so proud of it, his stupid domain, his stupid grandfather. I don't want it. I won't have it. This first victory went far to establish a reputation of invulnerability for the school on Roke.
