

## COLLECIO DAS LEIS DO IMPERIO DO BRASIL DE 1844 VOL 6 PARTE 1

When the troops entered Baghdad, each of them alighted in his pavilion, whilst El Abbas encamped apart in a place near the Tigris and commanded to slaughter for the troops, each day, that which should suffice them of oxen and sheep and bake them bread and spread the tables. So the folk ceased not to come to him and eat of his banquet. Moreover, all the people of the country came to him with presents and rarities and he required them many times the like of their gifts, so that the lands were filled with his tidings and the report of him was bruited abroad among the folk of the deserts and the cities..? ? ? ? Sore, sore doth rigour me beset, its onslaughts bring me near Unto the straitness of the grave, ere in the shroud I'm dight.
