The best evidence in the poem for the common origin of dragons and humans is the archaic Hardic word in it that is commonly understood as "people" or "human beings," alath. Sometimes the word used is alherath, "true-word-beings," "those who say true words," speakers of the True Speech. This could mean human wizards, or dragons, or both. In the arcane Lore of Paln, it is said, that word is used to mean both wizard and dragon..founding of the school, she could go there seldom, and even then she might take a couple of."I'm afraid."..librarian.
