"Old man's got his jewel back," said the. with a set mouth and clear eyes. "What do you want?" the wizard had asked, knowing what he wanted. "Then to me you are Silence," the wizard said. "You can sleep in the nook under the west window. There's an old pallet in the woodhouse. Air it. Don't bring mice in with it." And he stalked off towards the Overfell, angry with the boy for coming and with himself for giving in; but it was not anger that made his heart pound. Striding along—he could stride, then—with the seawind pushing at him always from the left and the early sunlight on the sea out past the vast shadow of the mountain, he thought of the Mages of Roke, the masters of the art magic, the professors of mystery and power. "He was too much for 'em, was he? And he'll be too much for me," he thought, and smiled. He was a peaceful man, but he did not mind a bit of danger. "Maybe you'll have a go with us yourself, then? You had a hand for it, before you took to making crown to their son Maharion. The four Kargad islands are mostly arid in climate but fertile when watered and cultivated. The Kargs have maintained a society that appears to be little influenced, except negatively, by their far more numerous neighbors to the south and west. Time passed as always in the Grove, not passing at all it seemed, yet gone, the day gone quietly. Otter passed the domed chamber of the roaster pit and its hurrying slaves, and climbed slowly up the circling, darkening, reeking stairs till he came to the topmost room. always took her by surprise. And it's true that in the time of Medra and Elehal the people of Roke, men and women, had no fear. It was far more convenient to him that Losen should be king than that he himself should rule Havnor openly. Men of arms didn't trust men of craft and didn't like to serve them. No matter

what a mage's powers, unless he was as mighty as the Enemy of Morred, he couldn't hold armies and fleets together if the soldiers and sailors chose not to obey. People were in the habit of fearing and obeying Losen, an old habit now, and well learned. They credited him with the powers he had had of bold strategy, firm leadership, and utter cruelty; and they credited him with powers he had never had, such as mastery over the wizards who served him..there, be nice," I said. The Enemy pursued him from the east to the west of Enlad in a trail of ruin. On the Plains of Enlad, meeting the companions who had stayed loyal to him, most of them sailors who had brought their ships to Enlad to aid him, Morred turned and gave battle. The Enemy would not confront him directly, but sent Morred's own spell-bound warriors to fight him, and worse, sent sorceries that shriveled up the bodies of his men till they "living, seemed the black thirst-dead of the desert."
