

ENDOSCOPIC SURGERY OF THE LACRIMAL DRAINAGE SYSTEM

Jain soars to the climax. I shove the slides all the way forward The crowd is on its feet; I have never. I do not know how to get home." "Now wait a minute. What about all this line about 'colonists'." "Neither one of those facts is so incredible compared to some of the strange things in this world," said Amos. "Why are you the Prince of the Far Rainbow, and why are you a prisoner?" otherwise rather plain face, giving her the look of a Renaissance Madonna and adding nostalgic charm to her loose topknot of copper hair and high-waisted Regency-style dress.. "I see him; he's in the brook, going upstream." "You're right," said McKillian. "I don't really know. But I have a theory. Since these plants waste. making the place look like a pastel oilfield.. He blushed. "Is it that obvious?".. flown. You might as well. . ." She groped for a comparison, trying to coax it out with gestures in the air.. "Perhaps somewhere nearer than you think, up this one, and two leagues short of over there, the pieces are hidden.".. ward, got up in time to see the fiberglass ropes on the side nearest him snap free from the steel spikes anchoring the dome to the rock. The dome now looked like some fantastic Christmas ornament, filled with snowflakes and the Sashing red and blue lights of the emergency alarms. The top of the dome heaved over away from him, and the floor raised itself high in the air, held down by the unbroken anchors on the side farthest from him. There was a gush of snow and dust; then the floor settled slowly back to the ground. There was no motion now but the leisurely folding of the depressurized dome roof as it settled over the structures inside.. softly. "Mama Dolores?".. My face must betray my confusion. I don't know how I should react.. "What about contamination?" she asked. "What do you think that sterilization was for before we landed? Do you want to louse up the entire ecological balance of Mars? No one would ever be sure if samples in the future were real Martian plants or mutated Earth stock.".. He went down the hill into the brush.."No, I am not saying that SP3 could be modified from a robot craft to carry a human crew. The design could not feasibly be modified at this late stage. Too many things would have to be thought out again from the beginning, and such a task would require decades. And yet, nothing comparable to SP3 is anywhere near as advanced a stage of design at the present time, let alone near being constructed. The opportunity is unique and cannot, surely, be allowed to pass by. But at the same time we cannot afford the delay that would be needed to take advantage of that opportunity. Is there a solution to this dilemma?" He looked around as if inviting responses.
