In the final analysis, no one had forced people to wear shirts, but. On his rides, he sometimes passed an old house on a hill among great oaks. When he turned off the village lane up the hill, a pack of scrawny, evil-mouthed dogs came pelting and bellowing down at him. The mare was afraid of dogs and liable to buck and bolt, so he kept his distance. But he had an eye for beauty, and liked to look at the old house dreaming away in the dappled light of the early summer afternoons. and the women and the dirty, timid children drew closer to see the wonders he would show them. "Where?" he whispered, and then said the word aloud in the language all things understand that. When the city was in order again, and the ships had all come back, and the walls were being rebuilt, Ogion escaped from praise and went up into the hills above Gont Port. He found the queer little valley called Trimmer's Dell, the true name of which in the language of the Making was Yaved, as Ogion's true name was Aihal. He walked about there all one day, as if seeking something. In the evening he lay down on the ground and talked to it. "You should have told me, I could have said goodbye," he said. He wept once, and his tears fell on the dry dirt among the grass-stems and made little spots of mud, little sticky spots. hid some reluctance or self-doubt. "To hear about the Great House is wonderful, but I thought the people there would be - I don't know. Of course they're mostly just boys when they go there. But I thought they'd be..." She gazed off at the sheep on the hill, her face troubled. "Some of them are really bad and stupid," she said in a low voice. "They get into the School because they're rich. And they study there just to get richer. Or to get power." her stand by his chair or sit on his knees and listen to all the wrongs that had been done to him. "No," she said, "only me... But there's a great deal of seeking and finding to be done in the Grove. Enough to keep even you from being restless. Why north?" "But what is there to tell?" she said reluctantly. "Is it really true that in your day, back." "He only taught me names." "You already know it. You gave it to Flag. She gave it to you. Trust." like that, she seemed to enter that place or time or being beyond herself, utterly beyond Rose's. But when they came out into the daylight again his head kept on spinning in the dark, and after a fast and brilliant, too fast for some of the dancers. Diamond and his partner stayed in, and saw him flying thus they shouted, "The dragonlord! the dragonlord!" "I asked you not to," he said, "and it's not my need I spoke of. I talk enough for two. Among the Kargs the power of magic appears to be very rare as a native gift, perhaps because it was neglected or actively suppressed by their society and government. Except as an evil to be dreaded and shunned, magic plays no recognized part in their society. This inability or refusal to practice magic puts the Kargs at a disadvantage with the Archipelagans in almost every respect, which may explain why they have generally held themselves aloof from trade or any kind of interchange, other than piratical raids and invasions of the nearer islands of the South Reach and around the Gontish Sea. questions!"
