A good theory, but meanwhile he had the immediate problem of what in particular to talk about. "Have you heard about the giant department store in Japan?" he asked her. "It covers sixteen acres." organisms are clones. The North Wind rose up in his cave and sped toward the opening that was so high they could not see the top and so wide they could not see the far wall, and his hair brushed the ceiling, and his toenails scraped the floor, and the tips of his wings sent boulders crashing from either side as he leapt into the black. "How far in did you live?" THE ORGANIZER: To me, it was never obvious. It still isn't. In the first place, only minimal. "We're in special circumstances, Lucy," Crawford explained. He looked around at the other occupants of the room. There was the Surface Mission Commander, Mary Lang, the black woman he had seen inside the dome just before the blowout She was sitting on the edge of Lou Prager's cot, her head cradled in her hands. In a way, she was a more shocking sight than Lou. No one who knew her would have thought she could be brought to this limp state of apathy. She had not moved for the last hour. It wasn't a pretty job. Halfway through it, Song came down the ladder with the body of Lou Prager. Lang groaned. "All the air-lock seals, for one thing." There were grimaces from all of them at the. "Oh, awful things," said Amos, "like onvbpmpf, and elmbmpf, and orghmflbfe." Mama shook her head. "He sleeps like an angel," she murmured "But the senora-". Hie human encampment below him broke up the jagged lines of the rocks with regular angles and curves. "A broken mirror is bad luck," said Amos. "Who broke it?". Amos and Jack climbed long and hard through the evening. When darkness fell, at first they thought. Well, no matter? it was ended now, over once and for all. Today the message had arrived from Belem: Darlene and Robbie were on the ship, ready for the flight to Manaos. Tomorrow morning he'd start downriver to meet them, escort them here. He'd had his qualms about their coming; they'd have to face three months hi this hellhole before the year was up, but Darlene had insisted. "No, come on in now? you'll have plenty of time after dinner." "Just what we were doing. Taking stock of our situation. We need to make a list of what's available." "Ashes?"
