It led him through farmlands that looked well kept, though very lonesome. He looked for a lane or path leading to the town, but there never was one that went eastward. Not a soul was in the fields, some of which were newly ploughed. No dog barked as he went by. Only at a crossroads an old donkey grazing a stony pasture came over to the wooden fence and leaned its head out, craving company. Medra stopped to stroke the grey-brown, bony face. They say that Roke used to be ruled by a woman called the Dark Woman, who was in league with the Old Powers of the earth. They say she lived in a cave under Roke Knoll, never coming into the daylight, but weaving vast spells over land and sea that compelled men to her evil will, until the first Archmage came to Roke, unsealed and entered the cave, defeated the Dark Woman, and took her place..Maharion died a few years after Erreth-Akbe, having seen no peace established, and much unrest and dissent within his kingdom. It was widely said that since the Ring of Peace was lost there could be no true king of Earthsea. Mortally wounded in battle against the rebel lord Gehis of the Havens, Maharion spoke a prophecy: "He shall inherit my throne who has crossed the dark land living and come to the far shores of the day."
