She turned back to me. "This is my protege, Johnny Peacock? a very talented young." "Why is that?"..and from the minor stepped the beautiful and worthy Lea..seeming the least homicidal. Why?"..The North Wind mumbled and groaned around the darkness for a while and at last said, "Very well. Climb on my shoulders and I shall carry you up to the highest peak of this mountain. When I have looked into your mirror, I will carry you down again to where you may descend the rest of the way by yourselves."..Tin not sure. I've never been more than three days. It was the briefest of illusions, for a moment later he turned, climbed back into his palanquin and clapped his hands. We stared after it as the four black bearers bore it away..though void storms may toss you about a bit in space and time.
