I was told. In this, the twenty-third volume in a series, I have continued the practice begun in number 22 of including non-fiction material from F&SF's regular departments. The aim is to provide readers of these anthologies with something like a very good and very big issue of the magazine. Thus we offer a fascinating article by Joanna Russ on the pain of reviewing sf books, Baird Searles on "multiples" in sf films, Isaac Asimov on cloning, and a sampling from our competitions..Multiples. Eli didn't see it that way. "Hell, Jake, they'll have to come through," he said. "We've got them right by the balls!" He didn't want to think about it now; he didn't want to think of anything. Not Nina, not Darlene, not. The wealthy merchant's pink cheeks were now a shade darker than his jowls. What..Amos and Jack climbed long and hard through the evening. When darkness fell, at first they thought they would have to stop, but the clear stars made a mist over the jagged rocks, and a little later the moon rose. After that it was much easier going. Shortly the wind began. First a breeze merely tugged at their collars. Then rougher gusts began to nip their fingers. At last buffets of wind flattened them against the rock one moment, then tried to jerk them loose the next The rope was very useful indeed, and neither one complained. They simply went on climbing, steadily through the hours.
