Maybe it was to escape the hunt that Medra came to Pendor, a long way west of the Inmost Sea, or maybe some rumor among the women of the Hand on Hosk sent him there. Pendor was a rich island, then, before the dragon Yevaud despoiled it. Wherever Medra had gone until then, he had found the lands like Havnor or worse, sunk in warfare, raids, and piracy, the fields full of weeds, the towns full of thieves. Maybe he thought, at first, that on Pendor he had found Morred's Isle, for the city was beautiful and peaceful and the people prosperous..Dulse knew no transformation that was irrevocable, no spell that could not be unsaid, except the Word of Unbinding, which is spoken only once..the flare and dazzle of the flames. He thought hopefully for a while that he was sick and could miss the party. But the day came, and he was there. Not so evidently, so eminently, so flamboyantly there as his father, but present, smiling, dancing. All his childhood friends were there too, half of them married by now to the other half, it seemed, but there was still plenty of flirting going on, and several pretty girls were always near him. He drank a good deal of Gadge Brewer's excellent beer, and found he could endure the music if he was dancing to it and talking and laughing while he danced. She looked at her companion, then slowly down at the ground. She sank down kneeling. He knelt with her, tried to support her, but she slid down in his arms. But when Otter could do so, then it was not so much as if she was with him, as that she was him, or that he was her. He saw through her eyes. Her voice spoke in his mind, stronger and clearer than Gelluk's voice and spells. Through her eyes and mind he could see, and think. And he began to see that the wizard, completely certain of possessing him body and soul, was careless of the spells that bound Otter to his will. A bond is a connection. He-or Anieb within him-could follow the links of Gelluk's spells back into Gelluk's own mind.."You can? Is it allowed?".."It means only hurt. Hate, pride, greed.."..defeated Erreth-Akbe, who "lost his staff and amulet and power" and crept back to Havnor a broken..The breeze was moving again slightly; she could hear a bare whispering among the oaks. "A little,"

she said.. "Right over there." She pointed to an unoccupied elevation with black-and-silver-striped. When it came to teaching what he knew, he was tireless, generous, and exacting. For the first growl, like a bear. A moment later a thunderclap rolled off the hidden upper slopes of Gont. It was as strangely quiet as the farmlands. Not a voice, not a face. It was difficult to feel uneasy in an ordinary-looking town on a sweet spring morning, but in such silence he must wonder if he was indeed in a plague-stricken place or an island under a curse. He went on. Between a house and an old plum tree was a wash line, the clothes pinned on it flapping in the sunny breeze. A cat came round the corner of a garden, no abandoned starveling but a white-pawed, well-whiskered, prosperous cat. And at last, coming down the steep little street, which here was cobbled, he heard voices.. home in Havnor; the stone cell, and Hound; the brick cell in the barracks and the spell-bonds. "Magic won't die on Roke," said Veil. "On Roke all spells are strong. So said Ath himself. And you." "Never fear," Diamond said, turned on his heel, and strode out. A string of dried sage caught on his head and trailed after him.. understand that?" "No," Diamond said.. diplomas under your belt, plus four years of training, twelve years in all. The Kargish version of the story, told as a sacred recital by the priesthood, says that Intathin defeated Erreth-Akbe, who "lost his staff and amulet and power" and crept back to Havnor a broken man. But wizards carried no staff in those years, and Erreth-Akbe certainly was an unbroken man and a powerful mage when he faced the dragon Orm.. "There are. Where are you from?".. He looked from one sister to the other: the one so mild and so immovable, the other, under her sternness, quick and tender as the first flame of a catching fire.. feet, full of tangling reed-roots. He made no noise as he moved slowly out into the pool, and the.. In the lore-book from Way, which he brought with him in a spell-sealed box whenever he traveled, were passages concerning the true refiner's fire. Having long studied these, Gelluk knew that once he had enough of the pure metal, the next stage was to refine it yet further into the Body of the Moon. He had understood the disguised language of the book to mean that in order to purify pure quicksilver, the fire must be built not of mere wood but of human corpses. Rereading and pondering the words this night in his room in the barracks, he discerned another possible meaning in them. There was always another meaning in the words of this lore. Perhaps the book was saying that there must be sacrifice not only of base flesh but also of inferior spirit. The great fire in the tower should burn not dead bodies but living ones. Living and conscious. Purity from foulness: bliss from pain. It was all part of the great principle, perfectly clear once seen. He was sure he was right, had at last understood the technique. But he must not hurry, he must be patient, must make certain. He turned to another passage and compared the two, and brooded over the book late into the night. Once for a moment something drew his mind away, some invasion of the outskirts of his awareness; the boy was trying some trick or other. Gelluk spoke a single word impatiently, and returned to the marvels of the Allking's realm. He never noticed that his prisoner's dreams had escaped him.. quicksilver, and Otter knew he was wrong.. begun to get a sense of the missing word that might fill one of the gaps, he almost had it, and.. Birch was sending a carter down to Kembermouth with six barrels of ten-year-old Fanian ordered by the wine merchant there. He was glad to send his wizard along as bodyguard, for the wine was valuable, and though the young king was putting things to rights as fast as he could, there were still gangs of robbers on the roads. So Ivory left Westpool on the big wagon pulled by four big carthorses, jolting slowly along, his legs angling. Down by Jackass Hill an uncouth figure rose up from the wayside and asked the carter for a lift. "I don't know you," the carter said, lifting his whip to warn the stranger off, but Ivory came round the wagon and said, "Let the lad ride, my good man. He'll do no harm while I'm with you.".. with what is real, and the words it works with are the true words. So true wizards find it hard to.. They walked a half-mile or so. She stopped looking about and strode along in thought for a while. She was beautiful in movement.. Rose nodded.. Erreth-Akbe, sailing into the bay "with sails worn transparent by the eastern winds," could not pause to "embrace his heart's brother or greet his home." Taking dragon form himself, he flew to battle with Orm over Mount Onn. "Flame and fire in the midnight air" could be seen from the palace in Havnor. They flew north, Erreth-Akbe in pursuit. Over the sea near Taon, Orm turned again and this time wounded the mage so that he had to come down to earth and take his own form. He came, with the dragon now following him, to the Old Island, Ea, the first land Segoy raised from the sea. On that sacred and powerful soil, he and Orm met. Ceasing their battle, they spoke as equals, agreeing to end the enmity of their races.. When Diamond put the lists of names to tunes he made up, he learned them much faster; but then the tune would

come as part of the name, and he would sing out so clearly-- for his voice had re-established itself as a strong, dark tenor -- that Hemlock winced. Hemlock's was a very silent house..directions; beyond them darkness and small letters, moving along the floor: TERMINAL PARK.She closed her eyes in bliss and listened.."Tell me what you'll be doing-".But Otter was intensely aware of Gelluk, both physically and as a presence of immense controlling power; and it seemed to him that Anieb's speaking had taken away that much of Gelluk's power over him, gaining him a place to stand, a foothold.
