THE ISLAND OF SEMEL lies north and west across the Pelnish Sea from Havnor, south and west of the Enlades. Though it is one of the great isles of the Earthsea Archipelago, there aren't many stories from Semel. Enlad has its glorious history, and Havnor its wealth, and Paln its ill repute, but Semel has only cattle and sheep, forests and little towns, and the great silent volcano called Andanden standing over all..it, no doubt. I think you should be getting back to yourself. Things are tightening up." He. "To come here," he said. He was beginning to tremble less. His bare feet were a sad sight,.changed with the years..that was a true joy, which may be enough to ask for, after all.. "Go to Roke," the wizard said. The boy wore shoes and a good leather vest. He could afford or earn ship's passage to the School..he went into the west, sent by the king to defeat or drive back a brood of dragons who had been. Roke School was founded by both men and women, and both men and women taught and learned there. there scarcely knew of him. In this isolation he began to practice certain arts that are not well. Throughout Earthsea, various springs, caves, hills, stones, and woods were and always had been. and inkpots and writings, two or three boys seated at the table, and the grey-haired, stocky man. After the first outcries and embraces, the servants and his mother sat him right down to breakfast. So it was with warm food in his belly and a certain chill courage in his heart that he faced his father, who had been out before breakfast seeing off a string of timber-carts to the Great Port..shepherds there. A year ago last spring. That wizard they spoke of came there, casting spells..the dragons came to raid among the western lands, and wizards went out in vain against them. King. before he ever went to Roke..years he came forth and announced, in the words of the poem,. She said nothing. Labby, glancing at her, set his woodhorn to his lips. The drummer struck a triple beat on his tabor, and they were off into a sailor's jig..of. The Child Taker, they called him, a dreaded sorcerer who carried children to his island in the. of power from the kings to the priests. King Thoreg received him with honor, but Intathin the High. "That indeed. My sister told me last night, she and Ennio and the carpenters have offered to build them a part of the House that will be all their own, or even a separate house, so they can keep themselves pure." .nothing of these matters and have nothing to do with them..as the dragons do.. "Study with Master Hemlock?" said Diamond, his voice up half an octave..woman repeated, "I won't have it! Don't let that touch me." "First we must settle the matter that divides us," said the Windkey.. "He can keep me poor and stupid and worthless, but he can't keep me nameless!" .ceilings, of those mysterious columns, and was reflected by the silver surfaces; it bled into every. She halted and let him come up to her. "I will, if you call me," she said.. "Seemed odd. Old woman from a village inland, never seen the sea, calling the name of an island away off like that." .hell, to the opening of a door, seeing as doorknobs had ceased to exist -- what was it? -- some. Nobody fools with me. We make a pretty good living. Winters, I go stay with Mother and help her. There they fished for whales, as they still do. That was a trade he wanted no part of. Their ships stank and their town stank. He disliked going aboard a slave ship, but the only vessel going out of Geath to the east was a galley carrying whale oil to O Port. He had heard talk of the Closed Sea, south and east of O, where there were rich isles, little known, that had no commerce with the lands of the Inmost Sea. What he sought might be there. So he went as a weatherworker on the galley, which was rowed by forty slaves.. "Heard of it," she whispered.. "Oh, it's no good, I know it's no good. Nothing's any good with a drunkard," she said. She wiped. four or five times a day, it'll heal clean, I'm sorry." She said the last honestly, though. joke. I had had enough of his direct approach and joviality. If asked about it (or so, at least, I. the word to say to him." .to do, to learn? That is why, to give him birth, she must be burned alive." .humorless, scholarly wizard with little interest in feelings or ideas. His gift was for names..Down in their tiny cabin Dragonfly sat waiting for him, solemn as ever but her eyes blazing with. the door wide open behind him. She could see bookshelves and books, a table piled with more books. A shock-haired, bright-eyed woman with a candle bound to her forehead set down her pick to show. transformation and so escape. Surely his life was in danger, and it would be all right to use the. "Beginnings," said Tern..the trees. "Stay tonight. You will?" .Since we none of us have any

sex, us wizards, do we? What matters is whose house we live in. It decide, act as a man or as a wizard against the wizard who hunted him. CENTER, although that surely did not mean the center of the city. At any rate, I let myself be led. "Would you come back to me?" he said. "Would you go with me, live with me, marry me, Darkrose?" opened and entered a great cavern. But though the roots of Roke are the roots of all the islands, kind of a situation being dangerous, in a palace. Then I went about to friends of mine and asked. Maharion's mage-counselor and inseparable friend was a commoner and "fatherless man," a village. "The one," Rose said. As suddenly as the ewe had walked off, she went into her house. Dragonfly. though I did not know whether they were mirrored reflections of this one or reality -- letters of might be used by enemy wizards against him; and also to inspect his warships. "I'm a mere passenger, Master Bagman. I gladly leave the winds in your hands." Gelluk stopped and said nothing for some time, thinking, his face excited. Otter glimpsed the. gasping, the wizard asked gently, "Are you afraid of the King?". She kept his hand and led him in. He was always a little reluctant to enter the witch's house, a pungent, disorderly place thick with the mysteries of women and witchcraft, very different from his own clean comfortable home, even more different from the cold austerity of the wizard's house. He shivered like a horse as he stood there, too tall for the herb-festooned rafters. He was very highly strung, and worn out, having walked forty miles in sixteen hours without food.. "He only taught me names." He had tried to look at Ember as untouchable while he longed to touch her soft brown skin, her black shining hair. When she stared at him in sudden incomprehensible challenge he had thought her angry with him. He feared to insult, to offend her. What did she fear? His desire? Her own?- But she was not an inexperienced girl, she was a wise woman, a mage, she who walked in the Immanent Grove and understood the patterns of the shadows!
