He could not be wholly comfortable with his hands bound and his mouth gagged, but wind and sunlight were mighty blessings. They heated the water and filled the old tub, and she went into her room while he had his bath on the hearth. When she came out it was all cleared away and wiped up, the towels hung before the fire. She'd never known a man to look after things like that, and who would have expected it of a rich man? Wouldn't he have servants, where he came from? But he was no more trouble than the cat.
