The usher continued to hover, smiling, over his chair. Finally Barry realized he was waiting for a tip. Without any idea of what was customary, he gave her a dollar, which seemed to do the trick. Rubbing his head more savagely than ever on the lintel, as if to rip off his thoughts with his hide, Brother Hart removed his skin. I was disturbed by her vehemence and the implied criticism of Selene. "You don't know Selene is like that," I said in what I intended to be a soothing voice. "You've never met her." "I do for a living." In unison, "No, no, what you request is impossible. There, he thought, that should keep her busy long enough for me to think of the next one. He opened a second beer and took a meditative swallow. Did poets ever write poems about drinking beer? question is easy to answer, but the first is not so simple. I am a prisoner here because a skinny grey man stole a map from me and put me in the brig so I could not get it back from him. But why am I the Prince of the Far Rainbow? That is exactly the question asked me a year ago today by a wizard so great and so old and so terrible that you and I need never worry about him. I answered him, 'I am Prince because my father is King, and everyone knows I should be.' Then the wizard asked me, 'Why should you be Prince and not one of a dozen others? Are you fit to rule, can you judge fairly, can you resist temptation?' I had no idea what he meant, and again I answered, 'I am Prince because my father is King.' The wizard took a mirror and held it before me. 'What do you see?' he asked. 'I see myself, just as I should, the Prince of the Far Rainbow,' said I. Then the wizard grew furious and struck the mirror into three pieces and cried, 'Not until you look into this mirror whole again will you be Prince of the Far Rainbow, for a woman worthy of a prince is trapped behind the glass, and not till she is free can you rule in your own land.' There was an explosion, and when I woke up, I was without my crown, lying dressed as you see me now in a green meadow. In my pocket was a map that told me where all the pieces were hidden. Only it did not show me how to get back to the Far Rainbow. And still I do not know how to get home." "What did Freddy say when you came in?" she asked in a conspiratorial if not downright friendly tone. (His snub had evidently registered.) Sturgeon Lives Comfortably, THEODORE STURGEON Mr. Robot, That's Me, ISAAC ASIMOV. "Selene, did you hear me?" Morning after morning, she would hand me a note when I met her. He didn't notice the open curtain. He glanced around, clicking his tongue softly. His eyes caught on something at the end of the couch. He smiled. At the cat? "That, I'm sure, was just coincidence," said Michelle. "After all, we're speaking of only two cases, and neither of the individuals in question was particularly bright. Bright people wouldn't be so quixotic, would they?" She underlined her question with a Mona Lisa smile, and Barry, for all his indignation and outrage, couldn't keep from smiling back. Anyone who could drop a word like "quixotic" into the normal flow of conversation and make it seem so natural couldn't be all wrong..
