And that was all there was to it- he had passed his exam with a score just five points short of the crucial eighth percentile. Which was a tremendous accomplishment but also rather frustrating in a way, since it meant he'd come that close to not having to bother scouting out two more endorsements. Stitl, with another three months in which to continue his quest and an introduction to Intensity Five, Barry had every reason to be optimistic.. Fve got ten seconds to stare out at that vast crowd. Where, I wonder, did the arena logistics people scrape up almost a million in/out headbands? He went north on Las Palmas, dropped a large Manila envelope in the mailbox (the story he'd been working on, I guess), and bought groceries at the supermarket on Highland. Did that mean he wasn't planning to move? I had a sudden pang in my belly. What if he was staying because of his friendship with me? I felt more like a son of a bitch every minute.. V. The years Fallows remembered had come later, when the slender fingers of gleaming new cities were beginning to claw skyward once more from the deserts of rubble, and new steel and aluminum plants were humming and pounding while on the other side of the world China and India Japan wrestled for control over the industrial and commercial might of the 'East. Those had been stirring years, vibrant years, inspiring years. Fallows remembered the floodlit parades .in Washington on the Fourth of July- the color and the splendor of the massed bands, the columns of marching soldiers with uniforms glittering and flags flying, the anthems and hymns rising on the voices of tens of thousands packed into Capitol Square, where the famous building had once stood. He remembered strutting into a high-school ball in his just acquired uniform of the American New Order Youth Corps and pretending haughtily not to notice the admiring looks following him wherever he went. By mid-February, he'd begun to be alarmed. Early one morning, defying the weather, he posted himself outside her building and waited (five miserable hours) till she appeared. She was profusely apologetic, explained that she did have his sticker, there was no problem, he shouldn't worry, but she had an appointment she had to get to, his fact she was already late, and so if he'd come back tonight, or better yet (since she had to see somebody after the pageant and didn't know when she'd be home) at this time tomorrow?
