"Twice."..Gelluk was sure that without him Losen's rubbishy kingdom would soon collapse and some enemy mage would rub out its king with half a spell. But he let Losen act the master. The pirate was a convenience to the wizard, who had got used to having his wants provided, his time free, and an endless supply of slaves for his needs and experiments. It was easy to keep up the protections he had laid on Losen's person and expeditions and forays, the prisoning spells he had laid on the places slaves worked or treasures were kept. Making those spells had been a different matter, a long hard work. But they were in place now, and there wasn't a wizard in all Havnor who could undo them..file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (97 of 111) [2/5/2004 12:33:31 AM].But after ten days or so, Licky said, "Master Gelluk's coming here. robe of Lorbanery silk, scarlet, embroidered in gold and black with runes and symbols, and a wide-brimmed, peak-crowned hat made him seem taller than a man could be. Otter did not need to see his clothes to know him. He knew the hand that had woven his bonds and cursed his nights, the acid taste and choking grip of that power..Ayo and Mead were much alike, and Otter saw in them what Anieb might have been: a short, slight, quick woman, with a round face and clear eyes, and a mass of dark hair, not straight like most people's hair but curly, frizzy. Many people in the west of Havnor had hair like that..And the boy must have a staff. Why had Nemmerle let him leave Roke without one, empty-handed as a prentice or a witch? Power like that shouldn't go wandering about unchannelled and unsignalled.."Everything is practice," Tangle said. She was never ill-natured. She seldom thought to do anything much for her daughter, but never hurt her, never scolded her, and gave her whatever she asked for, dinner, a toad of her own, the amethyst necklace, lessons in witchcraft. She would have provided new clothes if Rose had asked for them, but she never did. Rose had looked after herself from an early age; and this was one of the reasons Diamond loved her. With her, he knew what freedom was. Without her, he could attain it only when he was hearing and singing and playing music..Her use-name had been Flag, the blue iris of the springs.
