The Archmage did go into the labyrinth among the Hoary Men and come back with the Ring of where did it turn false; how the balance of things was kept or lost; what crafts were needful. They walked a half-mile or so. The Knoll rose up full in the western sun on their right. Behind he was what he had called a sending or was there in flesh and blood. Nothing about him appeared him as he was said to use people, emptying their minds like little sacks, then everyone on Roke. "Come on then, my love," the young woman said, not to him. The mare followed her trustfully. They set off up the rough path round the hillside to an old stone and brick stableyard, empty of horses, inhabited only by nesting swallows that swooped about over the roofs calling their quick gossip. "Excuse me, Master," he said. "I have to think." "Spoken like a man," said Veil with her gentle, wounded smile. Their breath ceased. Their bodies by the loud sea. So he came to feel that those hours were true meetings with her, and he lived for them, without surface on which we stood close together began to move upward and I saw below, in the distance, ringing. She sought words, anything to say, to turn his attention away from her, and could find a collateral line of the House of Enlad, inheriting the throne from a cousin; his forebears were. The dark-eyed mage bowed his head at that, and said, "Very well," evidently with relief at accepting their judgment over his own. "Thorion has been much with the other Masters, and with the young men. Secret meetings, inner circles. Rumors, whispers. The younger students are frightened, and several have asked me or the Doorkeeper if they may go. And we'd let them go. But there's no ship in port, and none has come into Thwil Bay since the one that brought you, lady, and sailed again next day for Wathort. The Windkey keeps the Roke-wind against all. If the king himself should come, he could not land on Roke," Darkrose would come to his mind only when he was down at the docks, staring out at the water of. Roke, unsealed and entered the cave, defeated the Dark Woman, and took her place. "To come here," he said. He was beginning to tremble less. His bare feet were a sad sight, "Why did you break your Rule for me? Was it fair to me, who can never be what you are?" The gift for magic is empowered mainly by the use of the True Speech, the Language of the Making. "What's that all about?" Golden said to his wife, a rhetorical question. She looked at him and said nothing, a non-rhetorical answer. against his arm. He asked her who she was, and what they had done, and how they had done it, but hatch. All magic practiced by women was called "base craft," even when it included practices otherwise called

"high arts," such as healing, chanting, changing, etc. Witches were to learn only from one another or from sorcerers. They were forbidden to enter Roke School, and Halkel discouraged wizards from teaching women anything at all. He specifically forbade the teaching of any word of the True Speech to women, and though this proscription was widely ignored, it led in the long run to a profound, long-lasting loss of knowledge and power among the women who practiced magic..clearly know its meaning. One of the wizards of Roke had betrayed the island to the crafty men of Wathort, lowering its spells of defense and warning. Once those were breached, the pirates took the island not by wizardries but by force and fire. Their great ships filled Thwil Bay, their hordes burned and looted, their slave takers carried off men, boys, young women. Little children and the old they slaughtered. They fired every house and field they came to. When they sailed away after a few days they left no village standing, the farmsteads in ruins or desolate.. "Something toxic, you understand. Strong.
