Dulse was not a tireless walker like Silence, who would have spent his life wandering in the forests of Gont Mountain if he could; but he had been born in Re Albi and knew the roads and ways around it as part of himself. He took the shortcut at Rissi's well and came out before midday on Semere's high pasture, a level step on the mountainside. A mile below it, all sunlit now, the farm buildings stood in the lee of a hill, across which a flock of sheep moved like a cloud-shadow. Gont Port and its bay were hidden under the steep, knotted hills that stood above the city.."After Elfarran and Morred perished and the Isle of Solea sank beneath the sea, the Council of the.butterfly in midair. But they learned from each other, and came through shame and fear into passion..There was an uncomfortable silence, as the Doorkeeper did not speak. At last a slight, bright-eyed."Oh, it's a curse, a curse, this wizardry!" they said.."You changed yourself?".Where he stood it was not wholly dark. The air moved against his face. Far ahead, dim, small, there was a light that was not werelight. He went forward. He had been crawling for a long time now, dragging the right leg, which would not bear his weight. He went forward. He smelled the wind of evening and saw the sky of evening through the branches and leaves of trees. An arched oak root formed the mouth of the cave, no bigger than a man or a badger needed to crawl

through. He crawled through. He lay there under the root of the tree, seeing the light fade and a star or two come out among the leaves.. "No, no. I believe you, only. . . no. You can't understand this." None of the mages answered him. In the silence, the men with him murmured, and a voice among them said, "Let us have the witch." Under Roke's steadily growing influence, wizardry was shaped into a coherent body of knowledge, its use increasingly controlled by moral and political purpose. Wizards trained at the school went to other islands of the Archipelago to work against warlords, pirates, and feuding nobles, preventing raids and forays, imposing penalties and settlements, enforcing boundaries, and protecting individuals, farms, towns, cities, and shipping, until social order was re-established. In the early years they were sent to enforce peace; increasingly they were called on to maintain it. While the throne in Havnor remained empty, for over two hundred years Roke School served effectively as the central government of the Archipelago..
