Tharsis Base sat on a wide ledge about halfway up from the uneven bottom of the Tharsis arm of the Great Rift Valley. The site had been chosen because it was a smooth area, allowing easy access up a gentle slope to the flat plains of the Tharsis Plateau, while at the same time only a kilometer from the valley floor. No one could agree which area was most worthy of study: plains or canyon. So this site had been chosen as a compromise. What it meant was that the exploring parties had to either climb up or go down, because there wasn't a damn thing worth seeing near the camp. Even the exposed layering and its areological records could not be seen without a half-kilometer crawler ride up to the point where Crawford had climbed to watch the sunrise.. But he was alone in the castle hall. Jack and Lea had already left. Amos ran to the mirror just in time to see them walking away across the green and yellow meadows to the golden castle. Lea leaned her head on Jack's shoulder, and the prince turned to kiss her raven hair, and Amos thought: "Now there are two people Jiving through the happiest

moment of their lives." Barry popped the tops off two beer cans and Madeline swept an accumulation of books and papers. All of us applauded. It was just what we'd wanted to hear. After the applause died away, the Organizer outlined what we were striking for, and I paid strict attention so I could tell Ike. It adds up to a pretty nice package: a fifteen-percent across-the-board hourly rate increase; full-paid hospitalization; retirement after twenty-five years service; nine paid holidays; three weeks vacation after four years on office three days later.. "You stay around and nudge some more poems out of me. I'm feeling the wind in my sails, but I need a muse. If you give me twenty good ideas for poems, I'll give you your endorsement." Stone 85.
