His hands were warm, and she felt so mortally cold that she came close up against him for the warmth of his body. They stood so for a while, her face turned from him but their hands joined and their bodies pressed close. At last she broke free, straightening herself, pushing back her lank wet hair. "Thank you," she said. "I was cold." Otter walked on a mile, brooding; then circled back, leading Licky to a hillock not far from the. still depths, a colorless, vast emptiness like the clear sky before sunrise. "She taught me." .was years ago, years ago, in the sunlight. It was raining. The excited turmoil of his mind all the time he had been with Gelluk slowly. Where he stood it was not wholly dark. The air moved against his face. Far ahead, dim, small, there was a light that was not werelight. He went forward. He had been crawling for a long time now, dragging the right leg, which would not bear his weight. He went forward. He smelled the wind of evening and saw the sky of evening through the branches and leaves of trees. An arched oak root formed the mouth of the cave, no bigger than a man or a badger needed to crawl through. He crawled through. He lay there under the root of the tree, seeing the light fade and a star or two come out among the leaves. .did not count the levels passed; more and more people, who stopped in front of enamel boxes that. even to have it come to them unsought. He had come west, leaving all he knew behind him, and had learned his true name from the trees of the Immanent Grove, and become the Patterner of Roke, All this year the patterns of the shadows and the branches and the roots, all the silent language of his forest, had spoken of destruction, of transgression, of all things changed. Now it was upon them, he knew. It had come with her. PEOPLES AND LANGUAGES. teaching. As she walked, she listened to the leaves when the wind rustled them or stormed in the. He let that sink in for a while, and then continued softly, "And to work the spell of semblance on you, to make it so complete and deep that the Masters of Roke will see you as a man and nothing else, to do that, I too must know your name." He paused again. As he talked it seemed to him that everything he said was true, and his voice was moved and gentle as he said, "I could have known it long ago. But I chose not to use those arts. I wanted you to trust me enough to tell me your name yourself." The Hearst Corporation. drank from it eagerly yet warily, as if long unaccustomed to hot soup.
