make sense to me. Surely if you were nice to other poets, they'd be nice to you, on the basic principle of scratch-my-back." She came to him then, almost as though the stirring had been a silent summons, came like a brown shadow gliding out of the night. Soundlessly she entered, and swiftly she shed her single garment as she moved across the room to stand staring down at him on the bed. Then, as she sank upon his nakedness and encircled his thighs, the stirring in his loins became a throbbing and the pounding in his head drowned out the drums..easily. One sentence read cryptically: "Keep Time Control set at zero." It was like "Wet. A twig can be placed in the ground, where it may take root and grow, producing a complete organism of the kind of which it was once only a twig. Or the twig can be grafted to the branch of another tree (of a different variety even), where it can grow and flourish. In either case, it is an organism with a single parent, and sex has had nothing to do with its making. It is because human beings first encountered this asexual form of reproduction, hi connection with fruit trees probably, that such a one-parent organism of non-sexual origin is called a "twig"; that is, "clone". He strode toward the gate. The four of us were standing right in his path, and we stepped aside when he neared us. If we hadn't, he'd have bowled us over.. She frowned. "You mean quit running together?" "I mean quit everything: running, swimming, practicing. . . ** "Quit practicing?" Her face set. "I can't afford to stop practicing. Gordy, it's time she doesn't use. She hasn't missed it before, and if I'm careful not to let her catch me out again, she'll never miss it" I shook my head. "You're breaking an agreement" "I'm not taking over, though. You know that's just a paranoid fantasy. I use only enough time for practice and no more." I sighed. "You seem to have all the best of it" She snorted. "I wonder. Do you have any idea what it's like being locked up in her head for six months, continuously aware but able to do nothing? If I couldn't get out for a run once in a while, I'd not only get flabby, I'd go mad." She bounced out of the chair and came over to lace her fingers together behind my neck. "What about you?
