Really look at it." So he did, feeling foolish, wondering what the joke was. He noticed a white patch near the top of the largest globe. It was streaked, like a glass marble with swirls of opaque material hi it. It looked very familiar, he realized, with the hair on the back of his neck starting to stand up..(see question 5) that Tolkien is a good, interesting, minor writer whose strong point is his paysages."Not lately. And even when we were together, we never talked to each other, except to say practical things like 'When is your program going to be over?' Some people just aren't that interested in talking. Debra certainly isn't. That's why?" (He couldn't resist the chance to explain his earlier failures.) "I did so poorly on my earlier exams. Assuming I did get a low score last time, which isn't certain since the results were erased. But assuming that I did, that's the reason. I never got any practice. The basic day-to-day conversational experiences most people have with their spouses never happened in my case." "Who is your friend?" asked Amos. Though he had not heard the beginning of the story, the whole tavern seemed far too quiet for a Saturday night..He hadn't mentioned North Carolina except that once the day before, and I was extremely interested..When he was sure the others were asleep, Crawford opened his eyes and looked around the darkened barracks. It wasn't much in the way of a home; they were crowded against each other on rough pads made of insulating material. The toilet facilities were behind a flimsy barrier against one wall, and smelled. But none of them would have wanted to sleep outside in the dome, even if Lang had allowed it..more adapted to this Mars than we are. And when..through with a bigger one..Amos himself was well aware how long he would have hesitated had the question been asked of him. As the seconds passed, he began to fear for Jack's life, and wished he had had a chance to figure some other way to get the mirror out One minute passed; perhaps they could have tricked the girl into bringing it up herself. Two minutes; they could have tied a string to the leg of a frog and sent him down to do the searching. Three minutes; there was not a bubble on the water, and Amos surprised himself by deciding the only thing to do was to jump in and at least try to save the prince. But there was a splash of water at his feet..Reluctantly at first, then with the
