Two long curves appeared on the Doorkeeper's cheeks, enclosing the slow upturn of his smile. The Changer's face remained stern, but he blinked, and after a little thought said, "I'm sure - yes - it was definitely the better plan to be honest. What Master did you speak of?". without a spell or two. A village hut with a palace floor. Well, it'll be a sight, come winter, to. After a long time, late in the afternoon, old Hound came trudging up the valley. He stopped now and then and sniffed. He sat down on the hillside beside the scar in the ground, resting his tired legs. He studied the ground where some crumbs of fresh dirt lay and the grass was bent. He stroked the bent grass to straighten it. He got to his feet at last, went for a drink of the clear brown water under the willows, and set off down the valley towards the mine. years old, "Why did you have me if you didn't want me?". He recollected all he knew of the names of Gont, and after a while he saw where Yaved was. It was the place where the ridges parted, just inland from

Gont Port; the hinge of the headlands above the city; the place of the fault. An earthquake centered there could shake the city down, bring avalanche and tidal wave, close the cliffs of the bay together like hands clapping. Dulse shivered, shuddered all over like the water of the pool..off for the Ninety Isles as soon as Tern liked..In silence Dulse sought his name, and saw two things: a fir-cone, and the rune of the Closed Mouth. Then seeking further he heard in his mind a name spoken; but he did not speak it..Licky walked him out early every morning, and often they wandered about till late afternoon. Licky was silent and patient.. "All right. I wanted to ask you more about various things. About the big things, the most..Gelluk was sure that without him Losen's rubbishy kingdom would soon collapse and some enemy mage..and the one in the village, which gave the place its name..He stood silent in the doorway. The Herbal used all his art, but could not rouse him. "He is dead," he said. "The breath will not leave him, but he is dead." So we mourned him. Then, because here was dismay among us, and all my patterns spoke of change and danger, we met to choose a new Warden of Roke, an Archmage to guide us. And in our council we set the young king in the Summoner's place. To us it seemed right that he should sit among us. Only the Changer spoke against it at first, and then agreed..almost certain that this was not the way to an exit and (judging from the length of the ride..connection, he knew Hound had been on a true track again.. Well, I know one of the ships is..Silence shook his head..And they talked about that, all the wise women of the island: what was the true art of magic, and where did it turn false; how the balance of things was kept or lost; what crafts were needful, which useful, which dangerous; why some people had one gift but not another, and whether you could learn an art you had no native gift for. In such discussions they worked out the names that ever since have been given to the masteries: finding, weather-working, changing, healing, summoning, patterning, naming, and the crafts of illusion, and the knowledge of the songs. Those are the arts of the Masters of Roke even now, though the Chanter took the Finder's place when finding came to be considered a merely useful craft unworthy of a mage.. "So what brought you here?" the Changer asked, stern, but not hiding his curiosity..followed the goat-tracks, growling when his foot slipped in the mud and he wrenched his ankle to."
