He wrote six fine stories for F&SF in the 1960s. Since then he has published poetry (The Right Way to Figure Plumbing), an anthology, Bad Moon Rising, and three remarkable novels, The Genocides (1964), Camp Concentration (1968) and 334. He has just completed a new sf novel, On Wings of Song..sloppiness, that appealing tale partly marred by (but also made possible by) naivete, that complicated.When the cops finally got there, I told them all I knew-except I didn't mention the Detweiler boy. I.165.Three weeks later, the Tharsis Canyon had been transformed into a child's garden of toys. Crawford had thought of no better way to describe it. Each of the plastic spikes had blossomed into a fanciful windmill, no two of them just alike. There were tiny ones, with the vanes parallel to the ground and no more than ten centimeters tall. There were derricks of spidery plastic struts that would not have looked too out of place on a Kansas farm. Some of them were five meters high. They came in all colors and many configurations, but all had vanes covered with a transparent film like cellophane, and all were spinning into colorful blurs in the stiff Martian breeze. Crawford thought of an industrial park built by gnomes. He could almost see them trudging through the spinning wheels..Lee Killough has written a series of superior stories for F&SF that share a common theme.runabout and proceeded to demonstrate what I meant. "How can I make you understand? This is nothing like anything I've ever flown. You might as well. . ." She groped for a comparison, trying to coax it out with gestures in the air. "Listen. Does the fact that someone can fly a biplane, maybe even be the best goddamn biplane pilot that ever was, does that mean they're qualified to fly a helicopter?".But she got no further. A loud sound in the woods stayed her. It was too heavy for a deer. And when the hunter stepped out of the woods on the very path that Brother Hart usually took, Hinda gave a gasp, part delight, part fear.."The Company is in the King's employ. Dear heart, Brother Hart.. and second, it was clearly intended to be sung to the tune of "Home on the Range." "India," Moises said, pronouncing the word with all the contempt of one in whose veins ran a ten. "Oh, ultimate depression!" shrieked the thin grey man, and stepped back again, for the dress beneath. I know it's painful to be told that something in which one has invested intense emotion is not only bad art but bad for you, not only bad for you but ridiculous. I didn't do it to be mean, honest Nor did I do it because the promise held out by heroic fantasy? the promise of escape into a wonderful Other world? is one I find temperamentally unappealing. On the contrary. It's because I understand the intensity of the demand so well (having spent my twenties reading Eddison and Tolkien; I even adapted The Hobbit for the stage) that I also understand the absolute impossibility of ever fulfilling that demand. The current popularity of heroic fantasy scares me; I believe it to be a symptom of political and cultural reaction due to economic depression. So does Robin Scon Wilson (who electrified a Modem Language Association seminar by calling Dune a fascist book), and Michael Moorcock (see his jacket copy for Norman Spin-rad's The Iron Dream, a novel which vehemently denounces the genre in the same terms Wilson does), and the writers of Bored of the Rings, the Lampon parody, from which came "Arrowroot, son of Arrowshirt". "Good morning," I said and showed him my ID. He blanched. His eyes became marbles brimming with terror. He was about to panic, tensing to slam the door. I smiled my friendly, disarming smile and went on as if I hadn't noticed. "I'm inquiring about a man named Andrew Detweiler." The terror trickled from his eyes, and I could see his thin chest throbbing. He gave me a blank look that meant he'd never heard the name.. The usher continued to hover, smiling, over his chair. His children had often asked him why a young man in his prime would turn his back on everything familiar and exchange twenty years of his life for a one-way journey to Alpha Centauri. They had good reason, since their futures had been decided more than a little by his decision. Most of the Mayflower II's thirty thousand occupants were used to being asked that question. Fallows usually replied that he had grown disillusioned by the spectacle of the world steadily rearming itself toward the same level of insanity that had preceded the devastation of much of North America and Europe and the end of the Soviet empire in the brief holocaust of 2021, and that he had left it all behind to seek a new start somewhere else. It was one of the standard answers, given as much for self-reassurance as anything else. But in his private moments Fallows knew that he really didn't believe it. He tried to pretend that he didn't remember the real reason..The trip to Manaus was an ordeal, but it ended in Darlene's arms. She was blonder and more. That includes me, and sometimes she's let me come into her bed. But not often. "You like it?" she said. I answered sleepily, "You're really good." "Not me," she said. "I mean being in a star's bed." I told her she was a bitch and she laughed. Not often enough. "That means," said Lea, "I was put here to be the nearest and dearest friend to all those grim, grey people who cheat everybody they meet and who can enjoy nothing colorful in the world." .pied-a-terre of some has-been somebody.
