Only three months to go! His children had often asked him why a young man in his prime would turn his back on everything familiar and exchange twenty years of his life for a one-way journey to Alpha Centauri. They had good reason, since their futures had been decided more than a little by his decision. Most of the Mayflower II's thirty thousand occupants were used to being asked that question. Fallows usually replied that he had grown disillusioned by the spectacle of the world steadily rearming itself toward the same level of insanity that had preceded the devastation of much of North America and Europe and the end of the Soviet empire in the brief holocaust of 2021, and that he had left it all behind to seek a new start somewhere else. It was one of the standard answers, given as much for self-reassurance as anything else. But in his private moments Fallows knew that he really didn't believe it. He tried to pretend that he didn't remember the real reason.. He smiled faintly. "I didn't know much about anything then. Too many people were already dead. If I'd gone to a hospital, they'd have wanted to know how I'd stayed alive so far. Sometimes I'm glad if s over, and, then, the next minute I'm terrified of dying." The crowd roars back. It was then that he'd called her Nina? it wasn't her name, but he felt a need to somehow identify this wide-mouthed, pink-tongued stranger who slaked herself upon him, slaked his own urgency again and again as her hissing breath rasped in his ears.. Window 28 was the window that issued licenses: he had passed. When Amos woke up, he was lying on the floor of the ship's brig inside the cell, and Jack, in his underwear for the sailors had jumped on him when he came back in the morning and given the jailor back his clothes was trying to wake him up. "These are what I need," said Amos, putting on the clothes quickly, for he was beginning to get chilly standing in his underwear. Then he climbed over the edge of the boat into the swamp. He was so bright and colorful that nobody saw the figure his dirty rags run quickly behind them to the far end of the ship and also climb over into the swamp. Had the figure been Amos? it was wearing Amos' rags? the red hair might have attracted some attention, but Jack's hair, for all his colorful costume, was a very ordinary brown. bloom was caused by the water in the bodies of the dead. Crawford realized he had never been happier in his life. "Was Detweiler a hustler?" Robert F. Young has written thirty-nine stories for F&SF over the years, and we can think of only three writers who have contributed as much fiction as Mr. Young (Poul Andersen, A warn Davidson, and Ron Goulart). A Robert Young story is always a pleasure because its high quality is as predictable as its subject matter is unpredictable. Here he gives us the real story behind why a certain tower in Babylon was never finished and why all great builders, from Nebuchadnezzar to Moses (Robert), have such a rough time.
