"I can't tell you." Her 'can't' did not mean 'won't'. Dragonfly waited. "It's the power, like I said. It comes just so." Rose stopped her spinning and looked up with one eye at a cloud in the west; the other looked a little northward of the sky. "You're there in the water, together, you and the child. You take away the child-name. People may go on using that name for a use-name, but it's not her name, nor ever was. So now she's not a child, and she has no name. So then you wait. You open your mind up, like. Like opening the doors of a house to the wind. So it comes. Your tongue speaks it, the name. Your breath makes it. You give it to that child, the breath, the name. You can't think of it. You let it come to you. It must come through you to her it belongs to. That's the power, the way it works. It's all like that. It's not a thing you do. You have to know how to let it do. That's all the mastery."Diamond sat upright and still. She was more than scandalized, she was frightened.."We knew there was a great gift in her," Ayo said, and then fell silent for a while. "We didn't."I don't either. Since time immemorial, until the reign of Heru, they had used only the outmost isles of the West Reach-which may have been the easternmost borders of their own realm-for meeting and breeding, and had seldom even been seen by most of the islanders. Naturally irritable and arrogant, the dragons may have felt threatened by the increasing population and prosperity of the Inner Lands, which brought constant boat traffic even out in the West Reach. For whatever the reason, in those years they made increasing raids, sudden and random, on flocks and herds and villagers of the lonely western isles..orders! Some think all dragons, or certain dragons, or certain people, are manifestations of Segoy. Also, like all women, she was inclined to babble and gossip, and indiscriminate in her friendships. The girl Rose hung about with Diamond because Tuly encouraged Rose's mother the witch to visit, consulting her every time Diamond had a hangnail, and telling her more than she or anyone ought to know about Golden's household. His business was none of the witch's business.
