are you doing?". When asked how I knew what was coming, by friends who enjoyed such an odd talent (and some do), I. The stories in this book cover the period from our November 1976 issue through the middle of 1979, a period of great growth in the science fiction field, at least in terms of numbers. If you're the sort who likes to sniff the air for trends, you may have detected a smell of old attics, as much sf seemed to swing back to traditional, even old-fashioned themes and forms. Compare 2001 to Star Wars..

When another two weeks went by without the Board of Examiners saying boo, he couldn't stand the suspense any longer and went down to Center St. to fill out a form that asked basically where did he stand. A clerk coded the form and fed it into the computer. The computer instructed Barry to fill out another form, giving more details. Fortunately he'd brought the data the computer wanted, so he was able to fill out the second form on the spot. After a wait of less than ten minutes, his number lighted up on the board and he was told to go to Window 28. The grey man looked after Amos until he disappeared. The gale blows itself out on the morning of the 26th. The sun is bright, the sea almost dead calm. Smith is able to catch glimpses of figures on deck, tilted above dark cross-sections of the hull. A sailor is splicing a rope in the stem, two others lowering a triangular sail between the foremast and the bowsprit, and a fourth is at the helm. A little group stands leaning on the starboard rail; one of them is a woman. The next glimpse is that of a running figure who advances into the screen and disappears. Now the men are lowering a boat over the side; the rail has been removed and lies on the deck. The men drop into the boat and row away. He hears them shouting to each other but cannot make out the words.. chained, wrist to wrist, on the blue settee? the crew stations beyond the glass partition behind his console, and the other displays confirmed that all else was as it should be. The reserve tank to Number 2 vernier motor had been recharged after a slight course-correction earlier and was checking out at "Ready" again. All the fuel, coolant, primary and standby power, hydraulic, pneumatic, gas, oil, life-support, and instrumentation subsystems servicing the Drive Section were performing well within limits. Way back near the tail, the banks of gigantic fusion reactors were gobbling up the 35 million tons of hydrogen that had been magnetically ram scooped out of space throughout the twenty-year voyage and converting over two tons of its mass into energy every second to produce the awesome, 1.5-mile-diameter blast of radiation and reaction products that would have to burn for six months to slow the 140-million-ton mass of the Mayflower II down from its free-cruise velocity..?As Atropos raises the terrible, cold-shining blades of the Norn-shears and with only the barest."When was the last tune you saw him?".the open catalogue on her lap..chipping letters painted on the glass against the wall in front of me. I have never seen him this furious before, and it frightens me. Not that I cannot appreciate and even share his anger toward the Sreen, of course. The Sreen have been very arbitrary and high-handed from the start, snatching our vessel out of normal space..He grinned with pleasure. "Thanks. It's for a paperback cover.?. "Like hell! Like bloody God-damned hell! Where are they? What makes them think they have the right, the right, to claim the whole damned universe for themselves?" The captain's voice is going up the scale, becoming a shriek, and filled though I am with terror of the Sreen, I am also caught up in fierce admiration for my superior officer. He may be a suicidal fool to refuse to accept the situation, but there is passion in his foolishness, and it is an infectious passion. "How dare they treat us this way? What do they mean, ordering us to go home and stay there because they own the universe?".He laughed. "That lets me out. Sit down. Move the stuff.".because they were too damned dumb to understand plain English..Nina.The sun was poking over the mountains when he woke up.
