Obviously he thought I was a police detective. No point in changing his mind. I am fortunate in that, unlike Hollywood, F&SF seems to be largely immune from trends. The magazine has a reputation for offering variety, and to uphold that image, it seems to me that it must carefully avoid trends and formulas in an effort to publish a balance of different types of fantasy and sf. And so we continue to look for good writing and fresh ideas and entertaining narratives, and once those general criteria are satisfied, we take on whatever seems to be pleasing our writers at the time. That's the best way I know of pleasing our leaders.. He led Amos, still tied, to a small door in the wall. "In there is my jewel garden. I have more jewels than any man in the world. Ugh! Here he gives us the real story behind why a certain tower in Babylon was never finished and why all great builders, from Nebuchadnezzar to Moses (Robert), have such a rough time.. "Thank you very much," said Amos and hurried off to the wheel-house. When he found the second. I rolled and lit a cigarette to see how bad my hands were shaking. Pretty bad, I saw.
