"If we don't make it home from this," I say at length, "if they never hear from us back on Earth, never know what became of their starship?".How Swyley did what only he did so well was something nobody was quite sure of, least of all Swyley himself. Whatever the reason, Swyley's ability to pick out significant details from a hopeless mess of background garbage and to distinguish consistently between valid information and decoys was justly famed and uncanny. But since Swyley himself didn't understand how he did it, he was unable to explain it to the systems programmers, who had hoped to duplicate his feats with their image-analysis programs. That had been when the "-sits" and the "-zoologists" began their endless batteries of fruitless tests. Eventually Swyley made up plausible-sounding explanations for the benefit of the specialists, but these were exposed

when the programs written to their specifications failed to work. Then Swley began claiming that his mysterious gift had suddenly deserted him completely..spinning like crazy." They all looked uneasily at the whirligigs. "But I think they're not here yet I think.put them on sale at prices ranging from \$49.95 to \$125.
