

## PRINCIPLES OF FIRE BEHAVIOR

Smith made a disgusted sound. He opened the clamps that held the device and picked it up, reaching for the power switch with his other hand. He never touched it. As he moved the device, the ghost images had shifted; they were dancing now with the faint movements of his hand. Smith stared at them without breathing for a moment. Holding the cord, he turned slowly. The ghost images whirled, vanished, reappeared. He turned the other way; they whirled back..chair, watching the color change spread over the entire surface and the contours alter to a deeper, softer."What are you doing here?" whispered Amos.."Nothing. Just routine." Obviously he thought I was a police detective. No point in changing his mind. "Where was he last night when the Hernddn woman died?""Thank you, Winey, for the encouraging words. The audacity of the idea appealed to Sirocco immediately. "We'd have to handle it ourselves. There isn't enough time to involve Brigade, but we could pin down those guys on the other side while you went in, and roll a barrage in front of you to clear obstacles." He was referring to the Company controlled robot batteries set up to the rear, below the crest line of the ridge. "It would mean going in without any counter battery suppression when you break though. What do you think?""Oh, baby, I'm sorry." Jam smiles and looks fourteen again.
