to do with that?" sister. "I wish this enchantment were at an end." At midnight I was still awake, sitting in number five in my jockey shorts with the light out and the door open. I listened to the ticking of the Detweiler boy's typewriter and the muffled roar of Los Angeles. And thought and thought and thought. And got nowhere...3. Then your opinion is purely subjective..Q: What is the state of the Competition Editor after each contest?. This is new territory," I answer. "We never had a million before." I know she thinks it's an excuse..into an argument with the comedian about whether his skit was essentially truthful or unjustifiably cruel In.predilection for gas-pump jockeys, car-wash boys, and parking-lot attendants. I guess it had something..37.In a house in Cleveland, a man watches his brother-in-law in the next room, who is watching his wife."Like these?".needs of the moment The dome material was weakening as the temporary patches lost strength, and so a..When the gag came off, the story came out, and the part of the story the jailor had slept through the grey man could guess for himself. So he untied the jailor and called the sailors and made plans for Amos' and the prince's return. The last thing the grey man did was take the beautiful costume back to his cabin where die black trunk was waiting..doors. I slid them open and then shut again. Colman asked after a pause. "You're probably gonna need it."..Searles."Ah, yes. The India." Moises nodded. "She is gone, in her catamaran, up the river. Two, maybe three..Sometimes the repetition of what we have just said will suggest a new meaning or possibilities of."Originality has always been my Waterloo," Barry admitted. "I just don't seem to be able to come up with my own ideas. I did have one, though, just this morning on my way here, and I was going to try and slip it in while I was taking the exam, only it never seemed quite natural. Have you ever noticed that you never see baby pigeons? All the pigeons you see out on the street are the same size-full-grown. But where _do they come from? Where are the little pigeons? Are they hidden somewhere?" He stopped short, feeling ashamed of his idea. Now that it was out in the open it seemed paltry and insignificant, little better than a joke he'd learned by heart, than which there is nothing more calculated to land you in the bottom percentiles..aperture on the interior of the Sun. Others included the system of satellite slave units in stationary orbits."What brings you to the Megalo Corporation?" I asked him, trying to affect the nonchalance of a happy executive.."It's marvelous," Amanda said. "And people actually live in them?".."Best indecent proposition I've had all week.".."No, just said he was restless and wanted to be movin' on. Sure hated to see bun leave. A real nice kid."..He went to the half wall separating the kitchen and poured two cups from a pot that looked like h was kept hot and full all the time. "It's hard to describe Andy. There was something very little-boyish about him. A real innocent. Delighted with everything new. It's sad about his back. Real sad." He handed me the cup and returned to the stool. "There was something very secretive about him. Not about his feelings; he was very open about things like that."..the ground. She tried to scratch her head but was frustrated by her helmet..group finds their instruments in the familiar darkness. The crowd is already going crazy..Robbie was a revelation..general terms..28.T've finished that. She's picked up her last parking-lot attendant? at least with this husband," I chuckled..I picked up Janice at her apartment in Westwood early Saturday morning. She was waiting for me and came striding out to the car all tegs and healthy golden flesh. She was wearing white shorts, sneakers, and that damned Dallas Cowboys jersey. It was authentic. The name and number on it were quite well-known?even to non-football fans. She wouldn't tell me how she got it, just smirked and looked smug. She tossed her suitcase in the back seat and slid up against me. She smelled like sunshine..Lorraine Nesbitt, I decided, was as nutty as a fruitcake..leave town. Factories were fire-bombed, but others took their place.."I mean I think these plants we've been seeing were designed to be the way they are. They're too perfectly adapted, too ingenious to have just sprung up hi response to the environment" Her eyes seemed to.violent colors and rich perfume where black butterflies glisten on the rims of pink marble fountains, and.."Amanda!" "Him."..41.A twig can be placed in the ground, where it may take root and grow, producing a complete organism of the kind of which it was once only a twig. Or the twig can be grafted to the branch of another tree (of a different variety even), where it can grow and flourish. In either case, it is an organism with a single parent, and sex has had nothing to do with its making. It is because human beings first encountered this asexual form of reproduction, hi connection with fruit trees probably, that such a one-parent organism of non-sexual origin is called a "twig"; that is, "clone"..been a lot of blood in all three..Genetic manipulation, especially cloning, has been much in the news recently, and in the essay below, Dr. Asimov takes up the subject with his customary energy and intelligence. Imagine, if you will, one hundred Isaac Asimov clones!.."Since ... I was a kid." He grinned. "You think it was one of those brews the old witch-woman gave..Having come round to a sensible, accepting attitude, she turned from the freezer to witness the effect of her outburst on the Morones, who looked elsewhere, and on Barry, who couldn't resist meeting her eyes head-on. Their expression seemed oddly out of character with the monologue she'd just delivered. They were piercing (as against vulnerable) steely-gray eyes that stared defiance from a face all sags and wrinkles. Without the contradiction of such eyes, her face would have seemed ruined and hopeless; with them, she looked just like an ancient centurion in a movie about the Roman Empire..On December 12, 1968, I gave a talk to a meeting of doctors and lawyers in San Jose, California.* Naturally, I was asked to speak on some subject that would interest both groups. Some instinct told me that

medical malpractice suits might interest both but would nevertheless not be a useful topic. I spoke on genetic engineering instead, therefore, and, toward the end, discussed the matter of cloning..When it's done, she holds me close and very tightly. Her rate of breathing slows and becomes regular. I wonder if she is asleep..From Competition 15; Retranslated SF titles.He nodded. "First time tonight. You may be surprised to learn that it wasn't me. It was Dorothy.After sixty-eight years of tussling with life, Congreve's bulldog frame still stood upright, his shoulders jutting squarely below his close-cropped head. The lines of his roughly chiseled face were still firm and solid, and his eyes twinkled good-humoredly as he surveyed the room. It seemed strange to many of those present that a man so vital, one with so much still within him, should be about to deliver his retirement address..Even turning my head can set it off. Sometimes, when I'm alone, I'll start crying just at the thought of it, at.nervous at this vandalism, but had no other choice.
