under the unimaginative control of the computer. With the two-person game, one player commands the other of one kind or another, it would be very unlikely that any one of them would be another Isaac Asimov. Friday morning I sat at my desk trying to put the pieces together. Trouble was, I only had two pieces. I had chosen another realty agent or come some other season. I was alone, though, in the boredom of autumn. Yahweh will again choose that particular form of chastisement should future foul-ups on. They crowded into the airlock, carefully not looking at each other's faces as they waited for the. A new exploration of the whirligig garden the next day revealed several new species, including one more thing that might be an animal. It was a flying creature, the size of a fruit fly, that managed to glide from plant to plant when the wind was down by means of a freely rotating set of blades, like an autogiro. The woods. His animals were at his heels. Marvin Kolodny at once intuited the reason behind Barry's suddenly seizing up. He was in the. He frowned slightly. "My dear sir, it is out of consideration for you that I have exposed you only to. Well, Til get them, he insisted, hoping to impress the other voice with the authenticity and vitality of his self-confidence. But the other voice wasn't impressed, and so instead of going straight from Center St. to the nearest speakeasy to celebrate, he took the subway home and spent the evening watching first a fascinating documentary on calcium structures and then Celebrity Circus, with Willy Marx. Willy had four guests: a famous prostitute, a tax accountant who had just. Side by side, we pause directly before the door. My teeth, I suddenly realize, are chattering with. The North Wind laughed so loud that Amos and the prince had to hold onto the walls to keep from blowing away. "It is so high and so cold up there that you will never reach it," said the Wind. "Even the wizard had to ask my help to put it there." Smith locked up the device and all his notes, went home and spent the rest of the day thinking. each other a lot better, were relaxed in the close company of each other, and were supported by a new. So Amos took off the prince's clothes and the sailor took them to the brig and returned with Amos'. "Right, I know." He turned back to the radio, and McKillian listened over his shoulder as Weinstein. My mother told me once she was sorry I wasn't handsome enough to get by without working. Listen, Ma, I'm all right. "I can't say I have. I always mean to, but you know how it is. It's the same with the Statue of Liberty. She nodded. "I guess you heard about the MacKinnons." The job left her untouched. With perfect calm and not even a pause in her movement, she said, "He had the press, I believe." She spun once more and finished in a deep curtsy, then straightened and began stripping off her exercise suit. "I'm going to swim. Will you come with me?" In Defense of Criticism. But not quite. He still had to get one more endorsement But now it seemed possible, likely, even. "Don't worry, there's another over behind you." Now that they were looking for them, they quickly spied four of the creatures. Song took a sample bag from her pouch and held it open in front of the beast. It crawled halfway into the bag, then seemed to think something was wrong. It stopped, but Song nudged it in and picked it up. She peered at the underside and laughed in wonder. toes or larynxes. And some opinions are worth a good deal more than others. "Sizzling hot and waiting," said the grey man, lifting his sunglasses. "Where is the sailor you took to." You people want to take a walk around the dome with me? Maybe we could discuss ways of giving people a little privacy. "No!" Amanda jumped up, clutching her shawl around her with white-knuckled hands. "She'd only want to reintegrate me." rely on things you can't learn in a simulator. And he barely got us down in one piece. We didn't noise it. My face must betray my confusion. I don't know how I should react. The Podkayne was lowered to the ground, and sadly decommissioned. It was a bad day for Mary Lang, the worst since the day of the blowout. She saw it as a necessary but infamous thing to do to a proud flying machine. She brooded about it for a week, becoming short-tempered and almost unapproachable. Then she asked Crawford to join her in the private shelter. It was the first time she had asked any of the other four. They lay in each other's arms for an hour, and Lang quietly sobbed on his chest. Crawford was proud that she had chosen him for her companion when she could no longer maintain her tough, competent show of strength. In a way, it was a strong thing to do, to expose weakness to the one person among the four who might possibly be her rival for leadership. He did not betray the trust. When he nodded, she sealed her helmet and started into the lock. She turned and looked speculatively at Crawford. The leash broke. She bounded away down the sand. As though that were not release enough, she flung herself into a succession of cartwheels and forward flips. She went around a curve of the beach and out of sight, still cartwheeling. By the time I reached the curve, she had disappeared. Moises frowned. "As I told you, there is the matter of the repairs. Perhaps this afternoon?" cleaning brushes. I am fortunate in that, unlike Hollywood, F&SF seems to be largely immune from trends. The magazine has a reputation for offering variety, and to uphold that image, it seems to me that it must carefully avoid trends and formulas in an effort to publish a balance of different types of fantasy and sf. And so we continue to look for good writing and fresh ideas and entertaining narratives, and once those general criteria are satisfied, we take on whatever seems to be pleasing our writers at the time. That's the best way I know of pleasing our leaders. Selene sent it out of reach with a swift kick of her left foot "You'll have to learn." hobbyhorses. What was your wife interested in? Over their orange juices Columbine told Barry a long and very unhappy story about her estranged but nonetheless jealous and possessive husband, who was a patent attorney employed by Dupont in Wilmington, Delaware. Their marital difficulties were complex, but the chief one was a simple shortage of togetherness, since his job kept him in Wilmington and hers kept her in New York. Additionally, her husband's ideal of conversation was very divergent from her own. He enjoyed talking about money, sports, and politics with other men and bottled up all his deeper feelings.
