It will work as long as the silver-white unicorn guards the fragment of the mirror," said Amos, "and the grey man doesn't have his hands on it. Now dive." It's a cliché of the American entertainment industry that if it works (i.e., if it makes money), do it again. It's a little unfair to denigrate Hollywood and its offshoots for this; most of the arts have been doing it since the Pleistocene. Certainly in films and on TV this makes for a lot of boring material; for instance, we've not seen the end of all the copies, blatant and otherwise, of Star Wars.. Now, months later, I remember it and my skin again goes warm. "Get out of here," I say to the lads.. She started stripping out of her suit. "Well, I guess that takes care of that. The combination of the Martian polar inclination, the precessional cycle, and the eccentricity of the orbit produces seasons that are about twelve thousand years long. We're in the middle of winter, though we landed in the nominal 'summer/ It's been theorized that if there were any Martian life it would have adapted to these longer cycles. It hibernates in spores during the cold cycle, when the water and carbon dioxide freeze out at the poles, then comes out when enough ice melts to permit biological processes. We seem to have fooled these plants; they thought summer was here when the water vapor content went up around the camp."..I called David Fowler: "Yes, Andy had a portable typewriter, but he-hadn't mentioned being a writer."..Jain goes into her final number.
