"It will be tomorrow at four o'clock in the morning," said the grey man. "So don't stay up too late." "It sounds very specialized," McKillian said thoughtfully. "Maybe we should be looking for the niche it occupies. The way you describe it, it couldn't function without help from a symbiote. Maybe it fertilizes the plants, like bees, and the plants either donate or are robbed of the power to wind the spring. Did you look for some mechanism the bug could use to steal energy from the rotating gears in the whirligigs?" He turned to Westland. "How come you dunderheads didn't show me this right off?" he demanded. "Will you pipe down in there," called the jailor without opening his eyes. 97. Again those black and burning eyes of his seemed to absorb the Project from its bottommost brick to its topmost one. There was a purposefulness about his mien that had been lacking on his previous visit; a fierce, almost an awesome, determination that made him seem larger than life. His black eyebrows were like the wings of a hawk; his lips were set like bitumen.
