"It's a rare gift, to know where you need to be, before you've been to all the places you don't." Thorion was the best of us all - a brave heart, a noble mind." The Herbal spoke almost in anger. Diamond had seen his father look like this when a forester reported an infestation in the chestnut groves, and when he found a mule-dealer had cheated him. She had played the man so thoroughly all day that she had half-convinced even him. The sun was setting; he stood up, bade her goodnight gently, and. It may be that Segoy is or was one of the Old Powers of the Earth. It may be that Segoy is a name for the Earth itself. Some think all dragons, or certain dragons, or certain people, are manifestations of Segoy. She and Ivory took each other in their arms, because after all they had been friends, companions, and he had done all this for her. "Courage!" he said, and let her go. She walked up the street and stood before the door. She looked back then, but he was gone.."Everything is practice," Tangle said. She was never ill-natured.
