The priests of the Twin Gods were in the process of wresting power from the kings and making Awabath not only the religious but the political center of the country. Erreth-Akbe's visit seems to have coincided with the final shift of power from the kings to the priests. King Thoreg received him with honor, but Intathin the High Priest fought with him, defeated or deceived him, and for a time imprisoned him. The Ring that was to bond the two kingdoms was broken..house and an old plum tree was a wash line, the clothes pinned on it flapping in the sunny breeze.."I don't know," Dragonfly said. "To hear about the Great House is wonderful, but I thought the people there would be - I don't know. Of course they're mostly just boys when they go there. But I thought they'd be..." She gazed off at the sheep on the hill, her face troubled. "Some of them are really bad and stupid," she said in a low voice. "They get into the School because they're rich. And they study there just to get richer. Or to get power."."And when he doesn't have any?".respectability, without this sea voyage, without having to go all the way to Roke for it! For he."Captain," he said, "I'm sorry, I must wait to spell your sails. An earthquake is near. I must warn the city. Do you tell them down there, every ship that can sail make for the open sea. Clear out, past the Armed Cliffs! Good luck to you." And he turned and ran back up the street, a tall, strong man with rough greying hair, running now like a stag.."Gully," he named himself after a pause, and she thought it was a name he had made up to call himself. It did not fit him. Nothing about him fit together, made a whole. Yet she felt no distrust of him. She was easy with him. He meant no harm to her. She thought there was kindness in him, the way he spoke of the animals. He would have a way with them, she thought. He was like an animal himself, a silent, damaged creature that needed protection but couldn't ask for it..file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (20 of 111) [2/5/2004 12:33:30 AM].Nobody fools with me. All the time he was with Gelluk, he had tried to learn from him, tried to understand what the wizard was telling him. Yet he was certain, now, that Gelluk's ideas, the teaching he so eagerly imparted, had nothing to do with his power or with any true power. Mining and refining were indeed great crafts with their own mysteries and masteries, but Gelluk seemed to know nothing of those arts. His talk of the Allking and the Red Mother was mere words. And not the right words. But how did Otter know that?.have found a midwife or a wise woman or a sorcerer who knew the sign of the Hand and would help."We do not teach women here," said the Windkey.
