Affect, Awareness of Others, Relevance, Voice Production, et cetera, but. It seemed self-evident to him that nobody in his right mind would want to get killed, or to be sent to places he'd never heard of by people he'd never met in order to kill other people he didn't know. Therefore nobody in his right mind would be in the Army. But since the Army was full of people whom it had judged to be acceptably sane and normal, it seemed to follow that the Army's ideas of what was normal had to be very strange. Now, to transfer into something like Engineering seemed on the face of it to be a perfectly natural, reasonable, constructive, and desirable thing to want to do. And that seemed enough to guarantee that the Army would find the request unreasonable and him unsuitable.. Falls glanced at the clock in the center of the console. Less than an hour before Waiters was due to take over the watch. Then he would have two days to himself before coming back on duty. He closed his eyes for a moment and savored the thought.. "Nice.
