"But I can sum up what they're going to say: not good.. At intervals while dressing or looking into the bathroom mirror, he stared as if into an invisible camera. Crawford and Lang hung around as the scientists looked things over. They were not anxious to get back to the task that had occupied them for the last two weeks: that of bringing the Podkayne to a horizontal position without wrecking her. The ship had been rigged with stabilizing cables soon after landing, and provision had been made in the plans to lay the ship on its side in the event of a really big windstorm. But the plans had envisioned a work force of twenty, working all day with a maze of pulleys and gears. It was slow work and could not be rushed. If the ship were to tumble and lose pressure, they didn't have a prayer.. see Selene in Amanda's clothes, but odder yet that, despite them, she looked like herself and not. away, someone waved back.. across the Detweiler boy's back.
