The thinking was that you'd be a wild card, a man of action with proven survivability. Maybe it worked out. But the other thing I remember on your card was that you're not a leader. "I think the chances are about a thousand to one against us if I try to fly it. But I'll do it, if we come to that. And that's your job. Showing me some better odds. If you can't, let me know." When Columbine had finally run the gamut of all her feelings, which included fear, anger, joy, pain, and an abiding and entirely unreasoning sense of dread, she thanked him, gave him her address and phone number, and said to get his touch in January for his endorsement. Amos and the well-muffled sailor climbed down onto the rocks that the sun had stained red, and started toward the slope of the mountain. Once the grey man raised his glasses as he watched them go but lowered them quickly, for it was the most golden hour of the sunset then. The sun sank, and he could not see them anymore.
