

## THE MIRACLE OF PLANT MEDICINE AND THE PRACTICE OF YOGA

In the confusion of Otter's mind, he was only dimly aware that they were going now towards the entrance of the mine. They went underground. The passages of the mine were a dark maze like the wizard's words. Otter stumbled on, trying to understand. He saw the slave in the tower, the woman who had looked at him. He saw her eyes..Sometimes there were great rooms. Sometimes there were pools of motionless water. It was hard to up somewhere far away in the heart of the building, filtered its way through the glass of

She stood straight and said nothing.."You won't find out. It's all lies, shams. Old men playing games with words. I wouldn't play their games, so I left. Do you know what I did?" He turned, showing his teeth in a rictus of triumph. "I got a girl, a town girl, to come to my room. My cell. My little stone celibate cell. It had a window looking out on a back-street. No spells - you can't make spells with all their magic going on. But she wanted to come, and came, and I let a rope ladder out the window, and she climbed it. And we were at it when the old men came in! I showed 'em! And if I could have got you in, I'd have showed 'em again, I'd have taught them their lesson!"..from other witches and from sorcerers, not from wizards. Then the tracks ceased..Though like any power they could be perverted to evil use in the service of ambition (as was the Terrenon Stone in Osskil), the Old Powers were inherently sacral and pre-ethical. During and after the Dark Time, however, they were feminised and demonised in the Hardic lands by wizards, as they were in the Kargad Lands by the cults of the Priestkings and the Godkings. So by the eighth century, in the Inner Lands of the Archipelago, only village women kept up rituals and offerings at the old sites. They were despised or abused for doing so. Wizards kept clear of such places. On Roke, itself the center of the Old Powers in all Earthsea, the profoundest manifestations of those powers-Roke Knoll and the Immanent Grove-were never spoken of as such. Only the Patterners, who lived all their lives in the Grove, served to link human arts and acts to the older sacredness of the earth, reminding the wizards and mages that their power was not theirs, but lent to them..He shook his head..He spent the whole afternoon in confusion, angry. When Ember came out of the Grove to her leafy bower upstream, he went there, carrying Veil's basket as an excuse. "May I talk to you?" he said..Nothing happened as he said the words Ard had taught him, his old witch-teacher with her bitter."You're going to Roke to find out," he said, raising his glass to her. After a moment she raised hers and smiled at him, a smile so tender and radiant that he said spontaneously, "And may what you find be all you seek!"..The Changer stared openly at her. He was not as tall as she was. He stared at the Doorkeeper, and then at her again..The light had come back into Diamond's dark eyes..boys his own age, his own sort, from the respectable families of Glade. Tuly insisted on calling..not see that word forgotten."..She's called Dragonfly, and she does all the work, and I saw her once last year. She's tall, and as beautiful as a flowering tree," said the youngest daughter, Rose, who was busy crowding a lifetime of keen observation into the fourteen years that were all she was going to have for it. She broke off, coughing. Her mother shot an anguished, yearning glance at the wizard. Surely he would hear that cough, this time? He smiled at young Rose, and the mother's heart lifted. Surely he wouldn't smile so if Rose's cough was anything serious?."That would be only what the women of the Hand call it, keeping its meaning from the wizards and the pirates. There were people of the Hand there whom he trusted. One of them was a man called Crow, a wealthy recluse, who had no gift of magic but a great passion for what was written, for books of lore and history. It was Crow who had, as he said, stuck Tern's nose into a book till he could read it. "Illiterate wizards are the curse of Earthsea!" he cried. "Ignorant power is a bane!" Crow was a strange man, willful, arrogant, obstinate, and, in defense of his passion, brave. He had defied Losen's power, years before, going to the Port of Havnor in disguise and coming away with four books from an ancient royal library. He had just obtained, and was vastly proud of, an arcane treatise from Way concerning quicksilver. "Got that from under Losen's nose too," he said to Tern. "Come have a look at it! They spent ten years together fighting the Kargs, whose occasional forays from the East had in recent times become a slave-taking, colonising invasion. Venway, Torheven and the Torikles, Spevy, Perregal, and parts of Gont were under Kargish dominion for a generation or longer. At Shelieth on Way, Erreth-Akbe worked a great magic against the Kargish forces, who had landed in "a thousand ships" on Waymarsh and were swarming across the mainland. Using an invocation of the Old Powers called the Waterlore (perhaps the same that Elfarran had used on Solea against the Enemy), he turned the waters of the Fountains of Shelieth-sacred springs and pools in the gardens of the Lords of Way-into a flood that swept the invaders back to the seacoast, where Maharion's army awaited them.
