Sitting there safe. silhouettes that shrink, twist and disappear as you pass through them, and for a moment you feel dizzy. And for six months, nothing really new cropped up among the whirligigs. Song was not surprised. She said it supported her theory that these plants were there only as caretakers to prepare the way for the less hardy, air-breathing varieties to come. They would warm the soil and bring the water closer to the surface, then disappear when their function was over. "An aubade is a traditional verse-form that a lover addresses to his (or her) beloved at dawn, when one of them is leaving for work." I stood outside number seven suddenly feeling like a teen-ager about to pick up his first date. I could hear Detweiler's typewriter tickety-ticking away inside. Okay, Mallory, this is what you've been breaking your neck on for a week.
